REVENUE BOARD OFFICE. MADRAS.

# Proceedings of the Board of Revenue

(Land Revenue)

NO 1056 Misc, dated 20th March 1897

Read letter from the Collector of Kistna, dated 22nd February 1897, Ref. NO 517/Ver.

---

Resolution.

In May 1895 the Collector of Kistna brought to notice that the Jaghirdars of Boravancha in His Highness the Nizam's Dominions had removed the demarcation stones planted by Messrs. Bentley Taylor and Pano between the Jaghir village and the mokhasa village of Ramannagudam in the Nuzvid Taluk. The Collector pointed out that it was absolutely necessary that the subjects of either Government should be prevented from meddling with the stones with intent to reopen the disputes that had been finally settled. In para 3 of Board's Proceedings 2765 Misc, dated 31st May 1895, the Government was requested to move H.H. the Nizam's Government to enquire into the conduct of the Jaghirdars and to take steps to prevent any interference on their part with demarcation stones. Government recorded the B.P. with the remark that the Resident at Hyderabad would be addressed in the Political Department vide G.O. 371 Revenue, dated 15th June 1895. With its order NO 649 Revenue, dated 24-9-95, Government communicated to the Board a letter from the Resident at Hyderabad stating that stringent orders had been issued to the Jaghirdars not to interfere with the boundary stones and that no further interference on their part was expected.

2 . In his letter read above the Collector of Kistna brings to notice that the Jaghirdars have again interfered

B

with the boundary stones and forcibly planted a new stone with the result that 150 acres of land have been absorbed into the Jaghir limits as shown in the rough sketch now submitted. He also states that the Tahsildar of Nuzvid could not procure the attendance of the Jaghirdars for holding an enquiry into the matter. The Board requests that H.H. the Nizam's Government may be again moved to enquire into the conduct of the Jaghirdars and to take steps to prevent any further interference on their part with demarcation stones.

3 With reference to para 2 of his letter read above the Collector will be informed that a search is being made among the records of this office for the map in question and it will be forwarded to him when found.

The Resident at Hyderabad

Sir,

Adverting to the correspondence ending with Col. Mackenzie's letter no 5035 dy 11th ~~Sept~~ Sept, 1895; I am directed to forward for your information a copy of the marginally noted letter received from the Collector of Kistna complaining that the Boravancha Jaghirdars are still interfering with the demarcation stones planted by messrs Bentley Taylor and Sons on the boundary between their Jaghire and the Ramanagudem village.

2.

2. It will be seen from the Collector's letter that the jaghirdars have since forcibly planted a new stone which would have the effect of absorbing into their jaghire 150 acres of land belonging to the Ramanmagudem village and that the Tahsildar of Nuzvid was not able to procure their attendance for holding an enquiry into the matter. I am in these circumstances to request that H.H. the Nizam's Durbar may be moved to take serious notice of the conduct of the jaghirdars and to adopt measures to prevent any further interference on their part with the demarcation stones.

3 A rough sketch map which accompanied the Collector's letter is also forwarded herewith for perusal and favour of return when done with.
