(1) <i>Godavari Delta.</i>					
Irrigation revenue	24,47,457	28,80,000	25,29,000	28,29,000	Decrease in the revised as compared with the sanctioned estimate is due to special remissions anticipated in consequence of damage caused by the recent floods in Narsapur, Tanuku, Amalapuram and Rámachandrapuram taluks. The increase over the actuals is due to the expectation that water will be taken for a portion at least of the area of 97,000 acres for which irrigation was relinquished in 1895-96 owing to the enhancement of water-rate. The increase in the budget over the revised estimate is due to anticipated irrigation of the whole area irrigated in fasli 1304. Credit has not been taken for increase of revenue due to re-settlement.
