## Proceedings of the Board of Revenue

(Separate Revenue.)

Dated 9<sup>th</sup> April, 1897.

No. 1453

### Resolution.

The Board considers that Deputy Tahsildars, Revenue Inspectors, &c, who are not assessing officers themselves but who make enquiries and give information to the assessing officers in the matter of imposition of income tax on persons within their divisions or ranges should enter the information within their reach in confidential note books which they themselves should ordinarily keep in their own custody - placing them however at the disposal of the assessing officers whenever required. The entries in the books should be made in their own hand.

handwriting and sent up to the assessing  
officers when required in sealed covers.

2 Collectors are requested to see that  
such officers are provided with suitable  
bound note books which should be indentured  
for and obtained from the Superintendent  
of Stationery. Each book should have  
a village-wise index and should be handed  
over by the officer to his successor  
when he is transferred, proceeds on  
leave or vacates his post in any other way
