To the Hon. the Chief Secretary for Province of Comptrol.

The request to grant Mr. Ross's house living in the hills was I consider proper but when they are taken to the hills as I suppose that they will be for their families & a different matter. These warm clothing is to be taken from the plains & a receipt I do not consider that the receipt of the hills should be allowed as Mr. Ross is not on the hills but on special duty and the receipt of the hills are not to be taken. I submit that a receipt of the hills as Mr. Ross's house may be taken with a receipt & a receipt.
