Dated 2 - 4 - 1897.

FOR ORDERS.

It having been found that the existing accommodation for clerks in the 3rd Tahsildar's office at Kuppam was very inadequate, the Collector of N. Arcot proposed to ~~add the proposed~~ extend the clerks' room by the addition of the space occupied by the present record-room, and to construct a new record-room; and the Board of Revenue submitted the proposals for sanction and for the issue of orders for the preparation of the necessary plan and estimates. In order to judge of the necessity of the proposed improvements, a plan of the Cutcherry showing the existing accommodation and the proposed improvements was called for in Copies 2160 16-11-96 Routine. This has now been

been received and is flagged D.
It will be seen from the said plan that the existing clerks' and the record rooms measure each 16'X12' in dimension & that it is proposed to utilize the whole space of 16'X24' for the clerks and to construct a new room for records measuring 16'X12'. The space allowed for clerks under the new type design is 25'.6" X 16' and that for records is 26'X16'. The proposed accommodation for the clerks therefore seems sufficient, but that for records is very inadequate. As however a new room is to be erected for the storage of records, it will be possible to build the room of a dimension approaching that allowed under the new type design. It seems unnecessary to call for a report from the Board of Revenue on the subject, and it is submitted that the papers may be transferred to the P.W. Dept in view to the issue of orders for the preparation of the necessary plans and estimates for the extension of the clerks' room and the construction of a record room of double the proposed dimensions, viz, 32'X12'.

Dr Brown requires answer of specifying what this extension should be. He does not quite see how it can best be done.

Corrs 10207/5 dated 23rd April 1897

The Government considers that the accommodation proposed for the storage of records, viz, 16'X12' is very inadequate for the purpose and that the new record-room should be of a size approaching that allowed under the type design, ~~viz, 26'X16'~~ Subject to this modification, the proposals for improving the Dy Sales office accommodation are approved and the papers will be transferred to the P.W. Dept in view to the issue of orders for the preparation of the necessary plans and estimates.
