Ami 18th October 1897

PETITION

1876

REVENUE DEPT.

His Excellency Sir Arthur Havelock
Governor of Madras.

The humble petition of Rev. Claude Millard
Roman Catholic priest of Ami (N.A.)

Sheweth,

That your Excellency's petitioner being anxious to
procure a stable livelihood to the famine-stricken low caste
people near the Javadi Hills Polur taluk, has determined
to establish a Pachama settlement, that is impossible
without the generosity and help of the Government.

In this North Arcot, Polur taluk, ~~Ami~~ village
the Jamara tank S.N. 231 is not to be repaired, but
to be assessed and cultivated; fortunate place for my purpose!

If the Government is favourable, I accept the
full tank (except the dike) at the estimate of the
Revenue Officers, asking for a delay of ten (10) years
to pay the amount, the tank-patta land itself being
the guarantee for the payment; with exemption of any assessment for 3 years.
And your Excellency's petitioner, will ever pray -
Claude Millard

1. The first part of the document is a letter from the President of the United States to the Congress, dated 1793. It is a very important document, as it is the first time the President has addressed the Congress. The letter is written in a very formal and dignified style, and it contains many important points. The President discusses the state of the Union, the progress of the government, and the challenges it faces. He also discusses the importance of the Constitution and the role of the President. The letter is a very important document, as it is the first time the President has addressed the Congress.
