II The bearer P. Rungareddy, Contractor P. W. D. executed the major portion of the works of the Marapalli Madugu Tank, to my entire satisfaction. This was the largest work carried out in the Sub-Division during my tenure of office. I had no trouble in getting all the work completed in good time, & there is not the slightest doubt that in this man I had the best contractor for the work. Rungareddy belongs to a very respectable family of Gudur & has the means and can command the labor to carry out works of a very extensive kind. His conduct has been always respectful. I consider him a honest and straight-forward man & ~~deserving~~ deserving of every encouragement.

The bearer Pelleti Rungareddy, Contractor
deputed by the D. P. W. to supply me with
material for the Concrete work connected
with the new Telegraph Span here, has
given me every satisfaction. He was
punctual in delivery, & from what I can
judge, the material good & rates fair.
He is a very civil & obliging man and
I think would prove very useful and
trustworthy on works of far greater mag-
nitude than that which I employed him
on.

IV This is to certify that the bearer Pelleti
Ranga Reddy worked under me as a Contractor
for about 4 years when I was in charge of
the Gudur Taluq. During that time he worked
satisfactorily in all respects. A good and
respectable contractor. He has done some of
the biggest works in the Gudur Sub Division.
He can do any big works that may be
given him.

V I am glad to certify that Ranga Reddy is the nephew of Narasimha Reddy who was Peddakapu of Gudur & bore a high character. Rangareddy is a very intelligent person & has made himself useful in irrigational works on contracts. He is a man quite qualified for the charge of a village, & I hope he will meet with adequate recognition.

VI Pelleti Rangareddy, Pedda Kapu of Gudur rendered me great assistance when I was cut off from communication with Gudur by floods during the N.E. Monsoon of 1887. He brought a number of coolies, rigged up a raft & managed to get me and my things across the river.

I have always found him a most civil & obliging man.
