Proceedings of the Board of Revenue
(Land Revenue)

No. 1435 Ins., dated 21st April 1897.
Conf. No. 60

Read the following letter from H.D. Taylor, Esquire,
Ag. Collector of Ganjam, to the Secretary to the Commissioners
of Land Revenue, Madras, Re. No. 527/ver of '97, dated 4th March
1897.

With reference to your telegram dated 27th
ultimo, I have the honor to state that the information re-
quired for the compilation of the statistics therein called
for is still being gathered by the Taluk Officers.

2. The Registration Department having expressed
its inability to furnish the information without extra clerks,
the Taluk officers have been directed to compile the statis-
tics from the records of the local Sub-Registrar's office by
deputing one of their gumastas for a few hours daily to at-
tend to this work.

3. There are 12 registration offices in this
District, of which statistics have been fully compiled for
only one office up to date.

4. Owing to extra work in connection with the
season, clerks cannot be spared on deputation from Taluk Of-
fice for any length of time and unless some special staff is
sanctioned it will probably take fully three or four months
more for the compilation of complete statistics.

5. I have, however, issued strict orders to the
Taluk officers to push on with the work and have directed
them to submit fortnightly progress reports.

And the following Reference thereon dated 19th March 1897.

Referred to the Inspector General of Regis-
tration for favor of remarks as to whether he can arrange for

any further assistance being rendered by Registration officers towards the compilation of the statistics than was contemplated in Government Order No. 210 Rev., dated 23rd May 1896.

2. In view of the urgency of the requisition from the Government of India, the Board promised to make every endeavour to submit to Government the report called for in Government Order No. 97 Rev., dated 3rd March 1896 before the close of the current official year, but in the circumstances now reported by the Collector of Ganjam it is anxious to have the statistics of that district ready for its consideration as soon before the 1st May next as possible.

Read also the following letter from the Honorable P. Rajaratna Mudaliyar, Dewan Bahadur, Inspector-General of Registration, Madras, to the Secretary to the Board of Revenue, Land Revenue, G. No. 1350, dated 5th April 1897.

Adverting to Board's reference, dated 19th ultimo, R. No. 1260, on a letter from the Collector of Ganjam, I regret to state, that it will not be possible for the ^{Sub-Registrars} ~~Sub-registrars~~, with the limited establishment at their disposal, to give any assistance in the compilation of the statistics called for by Government.

-----:0:-----

Resolution

Submitted for the information of Government with reference to the correspondence ending with Government Order No. 765 Misc., dated 10th February 1897.

2. In his letter of the 4th March 1897 read above, the Collector of Ganjam reported that, owing to extra work entailed by the state of the present season, only one of the Taluk Gumastahs was being deputed for a few hours daily to compile the statistics called for in Government Orders No. 209 & 210 from the records of the Sub-Registrars' offices, that, of the 12 registration offices in his district, statistics had been fully compiled for only one office upto that date and that, unless a special staff was sanctioned, it might take 3 or 4 months more to compile the statistics of the entire district.

3. The Inspector-General of Registration was thereupon asked whether he could arrange for any further assistance being rendered by Registration officers in the matter than was contemplated in Government Order No. 210 Rev., dated 23rd May 1896, The

Inspector-General has now replied in the negative. The Board accordingly recommends that 11 clerks ^{on Rs: 15 per mensem} ~~may~~, as a special case, be sanctioned for 1 month subject to the condition that their services should be dispensed with if the work ~~is~~ ^{is} completed before that time.

4. The statistics of land transfers having been received from the Collectors of the remaining affected districts (Vizagapatam, Cuddapah, Anantapur, Bellary and Kurnool), the present application is not likely to be followed by others of the same nature.
