RESOLUTION.

Simla, the 16th April 1897.

AFTER the Tariff Act came into operation in 1894 the Government of India decided to make an annual revision of the valuations of articles for which tariff values were assigned in the schedules of the Act. A general revision was made and embodied in the amendment of the Act passed early in 1896 (Act III of 1896), and enquiries were made in Decemberr 1896 in view to another general revision. The Chambers of Commerce of Bengal and Bombay were consulted by the local Customs authorities, and it now appears that the existing valuations in the tariff do not, in the opinion of the Customs authorities and of the Chambers, require modification except in respect of a few articles. The Governor General in Council has therefore decided to limit the revision of the tariff values to the particular cases mentioned.

The changes made in the valuations assigned to these articles are specified in the Notification No. 1722 S.R., dated 15th April 1897, of which copy is appended. The Notification will be published in the *Gazette of India*.

ORDERED, that a copy of this Resolution be communicated to the Governments of Madras, Bombay and Bengal, and to the Chief Commissioner of Burma, with the request that it may be communicated to the Chambers of Commerce.
