BELLARY.

To

The Collector of Bellary.

Sir,

I have the honor to forward you the following proposals for your approval.

(2). I have relieved the following Hospital assistants by Junior men as I think it best that experienced men be detailed for famine work and I would put them as follows.

L.F. 2nd class Hospital Assistant S.Arlent to Alur-Chimpigiri road with head quarters between the 2 Sections.

L.F. 2nd Class Hospital Assistant G.Narayanaswami Naidu to Adoni-^{Road-}Madhavaram work.

L.F. 3rd class Hospital Assistant B.Curusamy Naidu to Halaharvi-Moka road.

3rd class Hospital Assistant P.Davakuram for the present to Adoni- Siruguppa road.

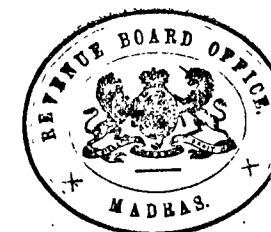

(3) I would recommend that sheds for them to live in be erected and also a shed for a Dispensary &c.

(4). They would require a compounding and writing table, a couple of chairs and a lamp &c and I would recommend each Hospital Assistant to have an attendant or peon, arrangements could be made for the use of one of the works sweepers and water-men.

(5). The Assistant Surgeon detailed for extra duty will be available for general supervision, he also should have a peon and arrangements made for his accomodation.

(6). I shall be glad if Divisional Officers will communicate any suggestions and wants direct to me and I

Collector of Bellary, Dis. No. 478 dated 25th January 1897.

Read the following letter from W. H. Campbell Esquire, Acting

Collector of Bellary, to the District Medical and Sanitary Officer, Bellary, Dis. No. 478 dated 25th January 1897:—

I have the honor to acknowledge with thanks the receipt of your letter No. Cr. 224, dated 20th January 1897, and to state that I have already requested the Executive Engineer in this Office No. 416, dated 21st January 1897, (a copy of it has been sent to you separately) to provide suitable sheds for Hospitals and Medical Sub-ordinates' quarters. He will now be requested to allow each Medical Sub-ordinate a Head Cooly to serve as a peon and a relief worker to attend on him for other duties.

2. The furniture required by the Hospital Assistants comes, I think, under the definition of the term "appliances" under Section 150 of the Famine Code and should be procured by you with the sanction of the Surgeon General.

Read the following endorsement ^{for} the Collector of Bellary on the letter read above dated 25th January 1897:—
