REVENUE BOARD OFFICE MADRAS.

Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 21st April 1897.

No. 2870 Miscellaneous.

READ the following letter from the Superintendent, Madras Survey, dated 19th March 1897 No: 159/R:—

Reference. Board's Proceedings (Settlement) No: 1508 Miscellaneous dated 26th February 1897 regarding the grant of measurement allowance to Karnams.

I have the honour to report that measurement allowance to Karnams, provided their outturn exceeded a fixed minimum, was intended to encourage industry. Please see paras 44 and 45 of my report printed with G. O. No: 446 Revenue

Revenue dated 22nd May 1891 page 9.

2. The scale proposed was that adopted in Nagpur, and would allow of a fairly industrious Karnam earning about Rupee 2 a month in addition to his ordinary pay. This does not appear to be a sufficient inducement in Madras (where the Karnams are perhaps better off than in Nagpur), for, many few Karnams have worked up to the minimum.

Resolution.

Submitted to Government, with reference to its official memorandum no 210 dated 9th December 1896 inquiring with advertance to Board's Proceedings No: 5719 dated 17-11-96, why it is proposed to grant special allowance to the Karnams who assist in the proposed Survey of certain unassessed lands in Godavari.

2. The Superintendent of Survey is requested to furnish the information asked for in the concluding Sentence of para 2 of Board's Proceedings No: 1508 dated 26th February 1897, viz:- whether any allowances were actually granted to Karnams in connection with the resurvey of Trichinopoly, Godavari and Kistna.
