Proceedings of the Board of Revenue (Land Revenue)

No.1232 Misc., dated 2nd April 1897.

Read the following :-

1. Again Board's Proceedings No.5234 Misc., dated 21st November 1896.
2. Letter from the Collector of North Arcot, dated 11th December 1896, Dis NO.2231/Eng, and the following reference thereon dated 18th December 1896:-

"The Collector is requested to forward a plan of the existing Deputy Tahsildar's Office at Puthur showing the accommodation available therein and the improvements now proposed to be carried out."

2 The plan and estimate prepared in 1892 should also be forwarded if available.

3 Read also letter from the Collector of North Arcot, dated 9th March 1897, Dis NO 450/Eng.

Resolution.

The Collector's letters read above will be submitted to Government with reference to its order NO 4463/Rev, dated 11th November 1896.

2 In 1892 a proposal was made to increase the accommodation in the Deputy Tahsildar's Office, Puthur, at a cost of Rs.2830, by combining into one the record and clerks rooms into one room and adding two fresh rooms on the wings and by providing a treasury room in the Sub-Jail. The Government however considered that the existing accommodation was sufficient and declined to sanction the proposed improvements.

It will be seen from the plan now submitted that the accommodation available for clerks and records in the present building is quite insufficient, being only 2x16x12 or 384 sqr. feet against 25.6x16x26x16 or 824 sqr. feet provided in the standard design. The Collector therefore proposes to combine the record and clerks' rooms into one room for the clerks and to add a fresh room 16x20 to the front wing for the storage of records.

3. The Collector also points out (Vide his letter No. 2231, dated 11th December 1896) that the number of clerks requiring accommodation in the Deputy Tahsildar's office, Puthur, and in that at Kalahasti is the same, and that the alterations now proposed for the former office correspond to those sanctioned for the latter in Government Order No. 2910 Revenue, dated 22nd July 1896. Both the offices appear to have been constructed on the same plan.

4. In these circumstances the Board recommends that orders may be issued in the Public Works Department for the preparation of plans and estimates for the improvements now proposed by the Collector.
