To
The Director General of Statistics, Calcutta.
Bombay 3rd April 1897.

Sir,

Under instructions conveyed in your letter No. $\frac{53-S}{R}$, dated 22nd August last, the subhead "Iron" of the Major head "metals" has been subdivided into four minor heads from 1st October 1896. The returns of rail-borne trade of Bombay, Benar, Central Provinces, and Madras compiled by this office for the first two quarters of the current official year exhibit statistics under the sub-head "Iron" alone, while those for the last two quarters will show details of each of its minor subheads. I have therefore the honour to enquire how ^{the} statistics under the old and revised sub-heads should be compiled in the returns of those Provinces for the year 1896-97.

2. The favour of an early reply is requested.

I have, Sir,

(S^d) Illegible,
