REVENUE DEPT.

CHIEF SECRETARY
22 NOV. 1897
GOVERNMENT OF MADRAS

His Excellency the Governor
in Council.

Fort St. George
Madras

The humble mahzar presented
by the Ryots of Kondapally
Hamlet of Veerapuram Sadafatti
Talug. Anantapur District
Most respectfully sheweth: —

- 1 That referring to Board Orders
no 3425⁵ 3.6.97 taxing $\frac{1}{2}$ cist for the
dry lands of the said Village,
the ryots most humbly submit
mahzar for remission of the
cist collected last year.
- 2 That the reasons recommended
for the said cist collection
by the Tahsildar is frivolous.
- 3 That the said Kondapally
is holding in its Baris only
1200, acres of dry land
yielding Rs 2000. to Government
- 4 That the nature of the soil
in the said Village is very
bad, when compared to that

of Veerapuram Khasra & the neighbouring villages, have no one of the undersigned petitioners could hope a full crop unless an extraordinary rain fall.

5. That almost all the ryots in this village own some patta in the body of an old leaky and damaged tank, & this land ought to be well watered by heavy rains every year in case of expecting a full crop. In the case of the last year, the land not being so watered, no one of the petitioners enjoyed a grain of profit.

6. That for the same effect the pottasars with a view to receive water & drain their lands, have erected an ancient or dam at a cost of Rs 3000, in the shape of subscription & debts.

7. That in the famine referring to Faski 1301, the collector of Anantapur has granted a remission of the whole dist especially to the lands of our village, while the neighbouring villages being taxed $\frac{1}{2}$ the dist on the ground that the soil of our land is bad in preference to them.

8. That in consideration to para 7, the order passed above quoted is quite contrary to justice.

9 The petitioners not only complain of the crop & rainfall last year but also of some epidemic diseases that befall on their cattle & the accident of fire on their fodder heaps, which tended this year their urgency to apply for a Takavi for fodder etc. under the ~~present~~ calm & gracious Government.

10 That the above afforded much help to the poor cattle, & that yet many better lands are to be seen in Banxar State owing to the insufficiency cattle for agriculture.

11. That the Sahsildar of Jaspatri did not at all visit our lands last year but viewed some cotton crops in the Kasha village of Veerapuram & that remarked that the ryots may get $\frac{1}{2}$ Crop. Such probability is the cause of taxation to the poor petitioners.

12 That at the inspection of the Revenue Inspector last year in the months October and November in the vicinity of our villages remarked all the crops except cotton (being some what green) are faded, which cotton crop also proved useless for want of

rain —

13 That considering the above
 your gracious, justice will
 remove the poor petitioners
 from taxation by granting
 remission in this hard
 time, cancelling the order
 passed to that effect.

14. That your honor can
 also convince, that a ref-
 erence to the collector of
 Anantapur as to the nature
 of the soil, will bring out
 the real fact.

For which act kindness
 & charity, the petro as in
 duty bound shall ever
 pray.

Beg to remain
 most respected Sir
 Your most obedient
 & humble servants
