Proceedings of the Board of Revenue
(Land Revenue).

No. 5585 Misc., dated 17th December 1896.
Confl. No. 156

Read the following :-

1. Letter from G.W. Dance Esquire, Ag. Collector of Malabar, to the Secretary to the Commissioners of Land Revenue, Madras, Ref. on C.No. 29/Confl., dated 1st November 1896, recommending that the work of Jenmam Registration be completely stopped until the Combined Field-books are ready.

And the following Reference thereon dated 10th November 1896.

Superintendent
Forwarded to the Revenue Survey for favor of very early remarks.

2. Endorsement of the same officer, Ref. on C.No. 156/J.T.'96, dated 5th November 1896, submitting translation of a petition and statement of discrepancies in continuation of Collector's letter No. Ref. 29/Confl., dated 1st instant regarding Registration of Janmam title.

And the following Reference thereon dated 12th November 1896.

Forwarded to the Superintendent Revenue Survey in continuation of the Board's reference dated 10th November 1896 on General Register No. 5943 of 1896.

3. Endorsement of the Settlement Department, dated 5th December 1896, transferring letter from H.O.C. Cardozo, Esquire C.I.E., Superintendent, Madras Survey, No. 478/R, dated 27th November 1896, returning ~~back~~ the Collector's letter with enclosures together with a copy of confidential report from Mr. Greene Deputy Superintendent No. III Party Madras Survey

regarding progress of Field measurement books of Palghat & Walva-
nad Taluks.

4. Also letter from H.O'C. Cardozo, ^{Esq.} C.I.E., Superintendent,
Madras Survey, to the Secretary to the Commissioners of Land Revenue,
Madras, No. 491/B, dated 8th December 1896, forwarding copy of report
from Mr. Greene Deputy Superintendent No. III Party regarding ar-
rangements made by him to facilitate the work of the Special Deputy
Collectors enquiring into Janmam rights.

Resolution

In the first two letters read above, the Collec-
tor of Malabar proposed to suspend the work of registration of Jan-
mam titles until the completion and supply of the combined field-
field books by the Survey department and also expressed his inten-
tion to entertain a special copying establishment consisting of
thrown-out surveyors or menons who had passed in survey in view of
the necessity for furnishing all applicants for registration with
acts from the subdivision Books at a moderate cost.

The letters were referred to the Superintendent of Madras
Survey for remarks. From the replies read above it appears that
both the original & duplicate measurement books were supplied to
Revenue officers before the ^{close} ~~close~~ of November 1896 for 41 desams in
the Palghat taluk, and that the books relating to the remaining
desams in that taluk were to have been ready for despatch by the
15th instant and that similar records for a few amsons in each
firkas of the Walluvanad taluk will be got ready & furnished at an
early date. In these circumstances the Board deems it unnecessary
to consider the first proposal.

3. In regard to the second proposal the Collector's atten-
tion is invited to para 3 of the letter from the Superintendent
of Madras Survey dated 27th November 1896 No. 478 R and to paras
10 & 11 of the Deputy Superintendent's letter of 30th November 1896
No. 1084. He is also requested to draw the attention of the special
Deputy Collector to paras 4 & 9 of the last quoted letter.

2. The Collector's remarks on the proposal made in the
letter addressed to him by the Deputy Superintendent on the 14th
November 1896 are awaited.
