REVENUE DEPT

SECRETARY to Madras Govern-
ment General Department.
GOVERNMENT OF MADRAS

Respected Sir, I most humbly & respectfully beg to request your honor that I am 28 years old & am a Mahomedan inhabitant of Bombay.

Further I have been educated at the Medical College Edinburgh & have passed the degree of M.D. at the University of Brussels & have come back to India four months ago.

It will not be considered out of the place for me to state here that now a days when the attention of the British Government has been drawn towards the Mahomedan education & that such backward classes have been getting special chance & preference of service as an encouragement I have full hopes that I being the first Mahomedan with the degree of M.D. on this side, will be fortunate enough to get an appointment in any of the Government Medical, Sanitary, Chemical, Botanical, Vaccination, Mint, Jail & Famine relief departments. I had applied to the Government of India for an employment & in reply have been suggested to apply to the Madras Government for an appointment in connection with the Famine Relief & departments.

I have the honor to be
Respected Sir,
Your most obedient servant,
Husein A. Lakhani
