The Board of Revenue is requested to furnish Government as early as possible with a statement showing talukwise the amounts of abkari and income-tax revenues realized in 1895-96 in all the taluks of the Godavari, Kistna and Tanjore districts and in the ~~second~~ first and second class taluks of the other districts.

Note.

In the case of the Land Revenue, the average of the five years ending with Fasli 1300 has been adopted. If the Board is called upon to furnish similar averages for the income tax & abkari revenue it will probably take some time. In other the abkari revenue has been in-

creasing year by year owing to the gradual extension of the tree-tax system. It will, therefore, probably be best to take only the latest available figures. In the case of Land Revenue also these figures will be adopted if necessary.
