MARCH.

Submitting to Government, for approval and publication in the *Fort St. George Gazette*, draft notification under section 16 of the Forest Act for the constitution of the Manubolupad extension block in the Kavali taluk, Nellore district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from E. SCOTT, Esq., Acting Collector of Nellore, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Central Circle), dated 19th September 1896, Forest No. 643:—

In forwarding copy of the Forest Settlement-officer's letter, No. 38, dated 2nd September 1896, completing the settlement of the Manubolupad extension block, I have the honour to request that Government may be moved to issue a notification therefor under section 16 of the Forest Act.

2. The claim register, draft notification, sketch-map and the area statement are enclosed.

3. I suggest the 1st December 1896 as the date from which the reservation should take effect.

ENCLOSURE No. 1.

From E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Nellore, through the District Forest-officer, Nellore, dated 2nd September 1896, No. 38-Cur.

I have the honour to report the conclusion of the settlement of the proposed Manubolupad extension reserve in the Kavali taluk of your district.

2. The initial notification proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 11th September 1894, and the proclamation under section 6 of the Act was published in the District Gazette, dated 21st December 1894. The time allowed for the presentation of claims expired on the 21st March 1895.

3. The reserve was inspected, perambulated and inquired into by me in August 1896, and four claims were preferred for certain rights of way which were admitted.

4. The ryots of Manubolupad presented a petition complaining that the extent of the available waste is not sufficient for expansion of cultivation, &c., but on examining the village account I found that the available waste is 70 per cent. of the occupied area and more than sufficient for all purposes. The petitioners have been informed accordingly.

5. The reserve is thus free of all rights except those stated above.

6. The following are submitted herewith:—

1. A signed copy of the B. register of claims.
2. A draft notification under section 16.
3. A sketch-map of the reserve.

7. The date from which reservation is to take effect has to be inserted in the draft notification.
