NOTE FOR THE SECRETARY.

I remember that in the famine in Ganjam in 1884 (and in the distress of 1891-92) it was considered that throwing on the markets in the non-affected districts would lower the price of cloths & thereby reduce the earnings of weavers & thus induce artificial distress among them. The papers being misc: are not available here and the Madras office has been asked to send them. If the proposal is approved, the draft G.O. No. 2246 dt. 14-5-97 No. 3308 may issue with the addition which I have now made with reference to the telegram (G. No. 3614) from the Board requesting early sanction for the

allotment. The question raised by the Hon. Mr. Ellis & H. R. may be separately dealt with

The Madras Fire has not been able to levy its Land cess for any portion of 91-92. Relating to the sale of cloth &c. as regards 1896 the only papers sent up bearing on the point is the Gangam Collector's letter dt 8th June 1897 ~~Written on the~~ ~~8th June 1897~~ after the close of the famine he stated that the sale by auction of the stocks of cloth locally would injure the weaving trade of the district which had already suffered for want of demands. It is stated that no other papers bearing on the subject can be traced. Perhaps my impression is misunderstanded RS 28-4-97

The attention of the Bd. should be drawn to the Hon. Mr. Ellis's remarks

Rec 28-4-97 The Bd should also be asked to see if any comments be taken if sale of the stocks are accumulating. If they go on accumulating there will be bad competition between the weavers and the poor for the sale of their goods, — when the famine is over.

No. 2853 Mis

READ... The following letter from the Collector of Cuddapah, dated 2nd April 1897, Ref. on current No. 7290 Rev.:—

In G. O. No. 308 Mis dated 19-1-1897, communicated in B. P. 442 Mis dated 21-1-1897, Government approved the estimate of expenditure of Rs 1,25,000 on account of Weavers' Relief Scheme in this district. Of this amount, only Rs 40,000 was placed at my disposal, but as the expenditure exceeded this amount, I have in my letter Ref. on C. No. 7290 Rev. 96, dated 18th March 1897, applied for a further allotment of Rs 40,000 for the year 1896-97.

vide Cons 1728 31-3-97 (7 Nos B)

2. The expenditure as ascertained from vouchers received up to the 30th March 1897 is Rs 73,212-6-9 against Rs 80,000 applied for, and the balance will lapse on the 31st March

March.

3. For the year 1897-98, fresh allotment is necessary and as the relief in this form is proposed to be extended to Proddatur, Pulivendla and Cuddapah taluks, I estimate that a Sum of 2 lakhs of rupees will be required for this year. I request that the early Sanction of Government may be obtained for this allotment. Meanwhile the necessary expenditure will be incurred.

Resolution

In his letter read above, the Collector of Cuddapah reports that, out of the allotment of 1,15,000 Rs, Sanctioned for the relief of weavers in his district during 1896-97, only Rs 80,000 were applied for and Rs 73,000 Spent, leaving Rs 42,000 to lapse.

2. The allotment for the Same purpose for 1897-98 is 1,10,000 Rs but, owing to the extension of relief operations, the Collector considers that Rs 2,00,000 will be required, and requests the Board to obtain the early Sanction of Government for this Amount.

3. The exact number of weavers now on relief in Cuddapah is not known, but it may be taken to be about 9,000. Wages to this number for 120 days at 1½ annas a day will amount to Rs 90,000. The value of materials advanced in March was Rs 18,500, and at the Same rate for 4 months Rs 74,000 will be required — Provision is made for 4 months though it is possible that numbers will fall before the end of that period. If the numbers do not increase, the amount required for weavers' relief will therefore amount to Rs 1,64,000; but Considering that operations are to be extended to other taluks, & that it is under contemplation to offer a more liberal wage than is paid at present, the Board does not look upon the Collector's requirement for 2,00,000 Rs as excessive, & Submits the application for favourable Consideration.
