REVENUE DEPT

To

THE SECRETARY TO GOVERNMENT,

REVENUE DEPARTMENT,

FORT SAINT GEORGE,

MADRAS.

The Humble appeal petition of TIPPU SAIB,
late Munsiff-Monigar of Pichivakam-
village, Conjeeveram Taluk, Chingleput
District.

Most Respectfully Sheweth:—

That this is an appeal against the Board's order dated 13th November 1895 Routine No. 3010 rejecting the petitioner's appeal against the Collector's order dated 29th August 1895 No. 3473 declining to interfere on petitioner's behalf in the matter of his claim to the Munsiff-Monigar's post in the above village.

2. Before proceeding to detail the facts directly bearing on the merits of his claim to the above post, the petitioner begs leave to premise the following introductory remarks.

3. Before the revision of the village establishment was introduced in the District, there were two distinct offices Viz Munsiff-Monigar and Monigar respectively for village of Pichivakam in the Conjeeveram Taluk.

4. In 1870 the petitioner's father obtained the post of Monigarship in the above village and immediately afterwards the Munsiff's post was conferred on him presumably on the ground of his having proved himself efficient for the former post. He held this office up to 1894 i. e. for upwards of 25 years during which long period he gave no cause for any complaint either from the ryots of the village or from his superiors. During this period, the petitioner also acted in the above post on several occasions whenever his father fell sick or proceeded on leave—vide Takids marked A. B. &c., While so acting, the petitioner has left no stone unturned in securing the good will of his superiors and in discharging his duties to their entire satisfaction. About the beginning of 1893 the petitioner's father fell ill and as usual his son (the petitioner) was made to act for him. During this time the petitioner's father made an application to the Collector requesting to register the office of Munsiff—Monigar in the name of his son. But the Collector ordered the appointment of his son to the above post only as a temporary measure—vide Tahsildar's Takid dated 9th February 1894 No. 71.

Government of Madras.

Collector and now the 1st member of the Board of Revenue, that gave the appointment to the petitioner's father and it is through the kindness and sympathy of that noble and benevolent gentleman that the Muhammadans continue to have some share in the administration of the country.

14. With these words the petitioner humbly begs and earnestly requests that the Honorable Members will take the above facts into their benign consideration and render justice to the petitioner by conferring on him the Munsiff-Monigar's post of Pitchivakam village in exercise of the general statutory power of interference reserved to Government as the ultimate authority for justice and mercy.

Very truly yours
A. C.
