V. On believing the poor and innocent rights we began to cough out a little portion of wet lands for paddy to sow

VI. In the paddy field we have not raised the paddy crop as that a little quantity of water of the tank is entirely exhausted

VII. It seems that the Tahsildar without

considering of these difficulties of the poor rights has reported to your honour

that the paddy is in good state

therefore we the poor and

helpless rights are obliged to report

our difficulties and we very

earnestly and respectfully beg your
