The following letter from the Collector of Bellary, dated 8th April 1897 Ref on C. J. B No 745:-

I have the honour to state that owing to the prevalence of famine over two-thirds of the District, and the consequent relief operations in progress, the work of the correspondence branch of my office has considerably increased. An idea of the additional work can be formed from the figures given in the margin*. Two clerks of the present current Establishment have

been detailed exclusively for famine work and the copying of famine correspondence and returns takes up practically the whole time of a third. The Jamabandi work during the current fasli is particularly difficult as the heavy remission accounts have to be subjected to a close and careful scrutiny. The time for the preparation of the several annual reports and returns has come and the office can no longer bear the strain necessitated by the employment of clerks on famine work. I therefore request that sanction may be accorded at a very early date for the entertainment of the following staff for famine duty

duty in my office until the pressure becomes less severe.

one clerk on Rs 50 for famine correspondence
one clerk on Rs 35 for famine returns
one clerk on Rs 20 for fair copying

Read also the following letter from the Collector of Anantapur, dated 10th April 1897 Current No 1738:-

I have the honour to request that sanction of Government be obtained for the entertainment of one additional clerk for my office, on Rs 50 and also an accountant on Rs 35 for the Audit branch. Owing to the continued Expansion of relief operations in the District since December last, both Correspondence and returns work has greatly increased and it was only with considerable difficulty that the existing staff could

could be made to bear the additional burden imposed on it. I am of opinion that it can no longer be expected to withstand the strain consequent on the growing pressure of work, and considering its importance, I think a clerk on Rs 50 is very essential for being put in charge of the correspondence. The Audit of Local Fund Vouchers is also an urgent matter and cannot conveniently and quickly be attended to by the Local Fund Audit branch of my office. I find that a similar increase such as has now been applied for has been allowed for in Cuddapah, and as there is a prospect of a still larger increase in the number of works and kitchens in the District and the Jamabundy of two

two talukas is to be urgently taken on hand, I request that the extra Establishment applied for may be immediately sanctioned.

Resolution.

Submitted to Government, with the request that the additional assistance asked for by the Collectors of Bellary and Anantapur may be sanctioned

In anticipation of sanction, the Collectors will be permitted to entertain an additional Establishment similar to that sanctioned for Cuddapah in Government Order No 164 of 1897 — viz. two clerks, one on Rs 50 and one on Rs 35.
