READ—the following paper:—

From M.R.Ry. S. GOPALAKRISHNA AIYAR, Avergal, Executive Engineer,
Tinnevely Division, to the Superintending Engineer, VI Circle, dated 24th
March 1897, No. 1146.

I have the honour to state that the police station and huts at Vadugampatti, work No. 5, under Provincial, in Srivilliputtur taluk, of Register of public buildings, have been taken charge of by this department as they are no longer required for use by the Police, a new building having been built at Nathampatti of the same taluk instead.

2. The station-house is reported to be in good order, but the huts are in bad order and the roof of one hut has already fallen down. The station-house and huts are valued at Rs. 35 and 50, respectively, excluding the cost of site which is assessed waste, survey No. 468, in the village of Vadugampatti.

3. On a reference made to the Collector, he wants the station-house as village chavadi for the use of village munsif to hold his office, and says that there are none in the village willing to purchase the station and the huts with site in public auction.

4. I have therefore the honour to request that you will be good enough to obtain sanction of Government for the transfer of the station-house to the Revenue Department as village munsif's chavadi with the site occupied by the station-house and huts, and for selling the materials of the huts in public auction.
