CHIEF SECRETARY
30. NOV. 1897
GOVERNMENT OF MADRAS

His Excellency the Governor of
Madras Presidency
Through the Chief Secretary
Madras

His Excellency
The humble petition of Arumalla
Sivarama Chari of Channarayana Taluk
District of Madras
Most humbly & respectfully sheweth
That he is an appeal against the order of
the Board of Revenue No 2463 dated 21 August 1897
The petitioner was suspended by the Sub-
Collector for not residing within the limits
of the Taluk of which he was the owner.
This order was confirmed by the Collector.
Whereupon the petitioner appeal to the Board.

of Revenue who decided that the orders of the Collector were correct. Now the petitioner does not appeal against the order of suspension but, submits that the enforcement of the Sub Collector's order that he should reside within the limits of his Taraff may be relaxed in his favour as was done by the Sub Collector Mr Broadfoot who, after ascertaining from the petitioner the utter difficulty to get a site in the village, and in consideration of close proximity of his Taraff to his place of residence at Punnagaram allowed him to remain where he was and do his duty.

In pursuance of the above order, the petitioner was doing his duty to the satisfaction of his superiors until August 1896. when he was suspended for no other cause but for his omission to reside within the limits of his Taraff. The petitioner begs to state that the order of the Sub Collector permitting him to remain at Punnagaram and do his duty was passed after due deliberation of the difficulties represented by him and approved of by his superiors to get a house site in any of the villages included in the Taraff.

(3) The petitioner submits that his Taraff consists of four villages all clubbed up together, the nearest being a furlong, and the furthest within two miles distant from Punnagaram. The area of his Taraff is short of one and a half square miles.

(4) Under the above circumstances, the petitioner humbly requests that the order of the Sub Collector to reside within the limits of his Taraff may be relaxed in his favour and he be permitted to reside at Punnagaram and do his duty as he had been doing for some series of years until the order of suspension dated August 1896.

(5) For this act of charity & kindness the petitioner shall as in duty bound, ever pray.

28th Nov 1897 } The petitioner humbly begs to remain
Punnagaram }

C No. 10422 of 97.

From Narasimha aiyar, Salem dt

Dated 28 — " — 1897.

FOR ORDERS.

This is a petition from a karnam in the Salem district requesting that the orders of the local authorities directing him to reside within the limits of his tanaff may be relaxed. Village offices in the Salem district are not hereditary and the Govt has decided not to interfere in connection with these appointments. (G.O. No 561 D.S.-2-96). Moreover, the question whether or not a village officer should be required to live within the limits of his charge

put up with an other account

is a point on which
the local officers
are the best judges.

The petr was suspended
till he complied
with the subcoll's
order directing him
to reside within the
limits of his tariff
and his appeals to
the colls and the
Board appear to have
been against such
suspension only.

What the petitioner
now requests is not that
the order of suspension
should be cancelled,
but that the rule requiring
him to reside within
his charge may be
relaxed.

There are clearly no
grounds for interference.
A draft is accordingly
submitted.
