Sir,

Adverting to Board's Proceedings

No. 4501
12-1-96

No. 21682 of 14-10-96, I have the honor to state that I do not consider it necessary to entertain any special village establishment for the collection of water tax in Zemindari and proprietary villages. ^{At present.} The draft rules framed under Section 32 of the Proprietary Estates village service Act II of 94 provide for the collection of water tax and other government dues in these villages by the village head men;

4. the maintenance of the necessary accounts by the Karmam (vide) p.p. no. 2787. ⁸²⁻¹⁰⁷¹
96 Land Revenue. As the act is likely to be soon introduced, I think it is unnecessary to have two sets of establishments independent of each other. Additional remuneration may be given if necessary, to the establishment to be entertained under ^{Act} ~~sec~~ II of 94 for looking after Zirajasti work and the same agency utilized for both purposes. It may also be strengthened if necessary.

2. Proposals have been called for from the Head Quarters Deputy Collector regarding the entertainment of temporary Revenue Inspectors in the Coconada division and will be submitted on receipt of his report on the subject.

3. I beg to urge the early introduction of act of 1894 as essential for the more satisfactory administration of the Taluqs containing Zamindari villages and Agraharams

Note

The current read above is a reply to C.P. 3821 of 24-9-96 in which report was called for from the Collector of Godavari on the following points:-

(1) Whether it would not be advisable to entertain a Special Temporary Estab^t for Armoish purposes in the Cocanada Division (Lemini-dari).

(2) Whether, in order to secure the full amount of

of water tax due in the
Mundari tracts, the
entertainment of a Special
Village Establishment, such
as was sanctioned for the
Kistna District, is not
necessary.

2. On the 1st point,
the Collector promises to sub-
mit proposals on receipt
of a report from his Head
Quarters District Collector on the
subject.

3. With regard to the
2nd point, the Collector states
that it is not necessary to
entertain a Special Village
Establishment at present,
as Act-II of 1894 (The Madras
Proprietary Estates Village
Service Act) is likely to be
soon introduced, and the rules
framed under Sec. 32 thereof
provide for the collection
of water tax and other Govt.
dues by the Village Headman,
and for the maintenance
of the necessary accounts
by the Karamam. — vide
Draft

Draft Rules printed in
G.O. 184 & 2-5-96. For
Tiruvajusti work, the Collector
considers that the same
Village Establishment may
be employed, with an addi-
tion, if necessary, to their
emoluments or strength.
The Collector wishes to avoid
having two sets of Village
Establishments independent
of each other.

4. The Board states
that its report on the
Amendment suggested to
the Draft Rules mentioned
above is now in the Press
and will shortly be sub-
mitted to Govt.
