The petro states as follows:-

Some of their lands cultivated with dry grain have suffered from want of rain & from some kind of plague ^{from decay} & yet the yield of those lands situated in a low water level below the bund of the tank would ^{be about} $\frac{1}{2}$ & $\frac{1}{3}$ of normal.

As petro's lands within a distance of one square mile being of saline soil require rain every month, otherwise the harvest ^{would} be very scanty. This year the produce failed altogether from the insect-plague & entire absence of rain.

Ryots of this village have suffered very much from famine of 1896 & want of rain for the past 4 or 5 years. Ryots earned their ^{living} by cool-labour in canals & roads. Last year some of petro's lands were not sown at all. Some lands being on a high level of $\frac{1}{4}$ - $\frac{1}{2}$ - $\frac{1}{3}$ ft. & 2 yds high, did not even yield pasture to petro's cattle. Govt. granted remissions for all such lands in all villages after an inspection of the fields. But the ryots of this

villages were not recommended
for remission, inasmuch as ^{a bribe of} four
annas were demanded for every
rupee that was remitted, by the officials of the
villages. Petros. declined to bribe them
~~villages~~ ^{as petros. were poor}.

On this acct ^{when} they officers came to
azimorish (measure) the fields the village
officials showed those which ^{were} ir-
rigated by well-water & ^{were} in good condi-
tion, they did not point out the ~~fields~~ ^{crops}
which have withered. The officers took
note to the effect that the yield would
be $1 - \frac{1}{2} - \frac{1}{4}$. In the monthly reports
also the village officials ^{this} represented
that ~~the~~ ^{the} harvest in some cases were full,
 $\frac{1}{2} - \frac{1}{3} - \frac{1}{4}$. When petros. were pressed
for payment of Govt. dues, Colr. has
petitioned on the subject. He granted
remissions.

Karnam
Petros. complain that ~~the Karnam~~
of their village has been doing both
the work of village Magistrate & a
revenue official, & has amassed
a pretty round sum during the last
four or five years. In connection with
two ~~cases~~ faults found with him,
he was suspended for two months
& fined on one or two occasions.
The Reddi being an official with
greater

greater responsibility than
the Karnam, was dis-
missed from the service in
connection thereof. Contracts
are given to those only who
bribe the village officials,
though such persons have no
looms. Contracts are refused to those
who did not offer bribes, but have
looms. A single household having
a loom is misrepresented as posses-
sing four looms & paid Rs. (120)
one hundred & twenty.

While such misrepresen-
tations are made ^{the} village
officials, petros. fear that
they will not get any kind
of justice at their hands by
way of remissions. Petros.
pray that their lands
may be azimorish (measured)
and inspected ~~for~~ directly
by Govt. & full remissions
may be granted this year
for the same. Further that
due notice may be taken
of the conduct of the
village officials ~~complain~~
~~ed of~~ concerned.
