Order misc no. 2275 of 5th May 97.

In the circumstances reported, the Govt agrees with the Board in considering that pending the preparation of the revised estimates, the figures sanctioned by the Govt of India for the current year may be accepted provisionally, any allotment that may be required to prevent loss or to secure increase of revenue being made later on if necessary.

2. The distribution, now proposed by the Board, of the sanctioned estimate of charges for the current year is also approved.

When early in March last the Govt of India intimated this while accepting the estimate of

Forest receipts as passed by this
Govt. it had decided to reduce the
estimate of charges from Rs.
18,26,000 to 17,25,000, this Govt.
feared that ^{the} ~~their~~ decision would
considerably affect the receipts.
The Board was accordingly asked
in G.O. 1296 dt 8th March 1896
to report soon to what extent
the receipts would be affected so
that the Govt. of India might be
asked by telegram to modify the
figures if necessary. In its Progs
recorded under no. 1713 dt 30th
March 1897, the Board sub-
mitted a rough estimate fixing
the amount to be reduced at ^{Rs} 7,000
but promised to furnish more
accurate figures later on. The
Board now states that the
~~reduction~~ decrease in the receipts in
consequence of the reduction made
in charges is ~~not~~ expected to amount
to only Rs 53,150 but that the
figures for charges will anyhow
have to be altered as the budget
figures did not make any pro-
vision for the pay & travelling
allowance of the ^{increased} subordinates
