In the present state of the

From

DIRECTOR OF THE GOVERNMENT

To

The Secretary to Government
 Revenue Department
 Fort. St. George.

SIR,

With reference to letter from the
 Government of Bengal, ~~Kind~~ Department, No. 1854
 His: dated the 23rd March 1897, communicated
 to this office under Go. No. 1879. Revenue, dated
 the 7th April 1897, I have the honor to point out
 that no rate appears to be laid down therein
 for the sale of Febrifuge to Medical Depots, nor
 for Quinine & Febrifuge to the general public.
 I would propose, therefore, that Febrifuge
 be sold to Medical Depots. at Rs 10 per lb.
 Similarly as was done last year, and that to
 the public, Quinine be sold as Rs 15 per lb.,
 and febrifuge at Rs 12 per lb.

I shall be obliged if you will be good
 enough to obtain for me the sanction
 of Government for these rates.

I have the honor to be

Sir
 Your Most Obedt. Servant

Order misc no. 2284 of 6th May 97

The Govt considers that, in the present state of the finances, it is not advisable to reduce the ~~rate~~ price at which quinine is sold to the public and the rate in force during the past year should, therefore, continue
