Gooly Deputy Collector
Office dated 24th March/97

From.

Mr. R. Ry.

Deputy Collector
Gooly Division.

To

The Collector of Anandapur.

Sir,

I find it very difficult to get through my ordinary Revenue work in addition to my famine duties, though I have been relieved of magisterial duties. The revenue work of this division is, as you are aware, heavy and takes up a good deal of my time. I have -
 durkhast appeals and summary suits to dispose of. Village officers are also constantly recommended for punishment for one thing or another. I have to fix a time and place for their appearance, then hear their explanations

explanations and dispose of the Charges against them. In addition to these, I have to make ^{my} periodical revenue inspections including the examination of the records in connection with loans. The records in loan cases exceeding Rs 100, have to be scrutinised by me, while the loans for Rs 250 to 500 have to be sanctioned by me. There are a large number of loan applications for Rs 500 and upwards pending in the Gooty Taluk. I submit that it will be next to impossible for me to attend to the Jamabandi of the Gooty Taluk also, as ordered by you in addition to my present work.

2. Six relief works are now in progress in my division, 4 in the Tadpatri Taluk and 2 in the Gooty Taluk. 2 or 3 more works may be opened in my division before long. I have to be constantly on circuit. As I have to attend to the ordinary revenue

revenue duties also, I am obliged to take the establishment also with me at enormous Cost to Government and Considerable expense and inconvenience to my four clerks, two of whom only get Rs 15. each per mensem, and the third Rs 20. The small travelling allowances they are entitled to, do not cover their travelling expenses at all; as I am on march on almost every day or alternative days. Moreover, a great deal of time is taken up in travelling and in packing and unpacking the record boxes and in loading and unloading them. The result is that though the clerks travel with me at Considerable expense and hardship, they are not able to turn out much work.

3. I have been engaged in starting the Kandapuram work during the past 3 days. I have been ordered

The result is that though the clerks travel with me at Considerable expense and hardship, they are not able to turn out much work.

3. I have been engaged in starting the Kandapuram work during the past 3 days. I have been ordered
by

by you to inspect (1) the several relief works and report about the payment of "C" Class wages (2) to inspect Kummamamala and report about the necessity of opening a relief work there, (3) to investigate and report the Cause of the decrease in the number of workers at Guntakal and in the Tadpatri Taluk for the week ending 6th March 1897, and (4) to inspect the Putloor work and report about metalling that road. With all this urgent work on hand, I am obliged to go to Gooty tonight to hold the resale of the Gooty toll-gate for the next lease on the 25th instant.

4. I see from the Board's Proceedings dated 8th March 1897 No. 200 (Rev. Secy. L.R. and Agri.) that orders have been issued for affording relief to weavers in the Tadpatri Taluk. I should therefore be daily expecting the receipt of orders from you for starting the work.

5. As in spite of my hard work I find it very difficult to satisfactorily attend

I could have relieved him of this work as in Kalyandurg where on the application of the Head Quarter Deputy Collector, the Tahsildar conducts the sale.

2. The circumstances under which this application comes from Gooty Division apply with equal force to the other divisions also. It is true that in these latter, relief works are not so many in number as in Gooty Division. But from my inspection of Anantapur, I have found that the labouring classes are urgently in need of employment and I have directed the Deputy Collector to open two relief works at once. Resolution

Submitted to Government.

2 A Deputy Collector to relieve the Gooty Deputy Collector and the Head Assistant Collector of their magisterial work was sanctioned in G.O. 680 dated 5th February 1897. The Collector now asks for a Deputy or Special Assistant Collector to relieve himself of his ordinary duties, and for 2 Deputy Collectors to relieve the Head Quarter Deputy and Head Assistant Collectors of their ordinary duties, the present

present additional Deputy Collector
being utilized for attending to the ordinary
duties of the Goochy Deputy Collector.

3. The Board Considers the Establishment
asked for indispensable. It is absolutely
necessary that the Collector and, all
his Divisional Officers should be relieved
of their ordinary work at once to enable
them to devote their time to measures of
relief. The two Deputy Collectors have
quite enough to do in ^{organising} supervising relief
alone, while in the Head Assistant Collector's
^{abnormally large} division, the position is critical, and Settlement
has to be introduced. Besides this, jamabandi
has to be conducted everywhere.
