Note.

To prevent smuggling of liquor from certain feudatory states in Bengal into the Gumsur taluk an experimental party was formed in 1892 to patrol the

the frontier. The party consists of 1 Petty Officer and 4 peons and these men were allowed in 1893 & Rs 1 and annas each respectively in addition to their pay in view of the unhealthiness of the locality. The Board now approves of certain changes in the distribution of parties in the Aska circle which places to the frontier party a strength of 1 Petty Officer and 5 peons.

Sanction is now requested for the grant of allowance permanently to these men viz:

Rs 1 for the Petty Officer &
Rs 2-8 for the peons at the rate of 8 annas for each peon.

REVENUE BOARD OFFICE MADRAS

Proceedings of the Board of Revenue

(Separate Revenue,)

Dated 10th April 1897.

Mis No. 1505

Read letter from the Deputy Commissioner, Northern Division, No 447 dated 20th February 1897, furnishing a rough estimate of the Abkari Revenue, of the tract patrolled by the experimental party of the Aska Circle.

Resolution

The Board begs to report for the information of Government certain changes proposed by the Assistant Commissioner Chatrapur Sub Division, and supported by the Deputy Commissioner in the allocation of the Sub Inspectors' and parties' ranges in the Aska Circle, with a view to the permanent retention of a party along the borders of the

Jayagur feudatory State of Bengal, and requests that Sanction may be accorded to the grant of a local allowance to the men attached to that party.

2. Prior to August 1892. the prevent-ive Establishment employed in the Aska circle was as follows:-

Taluk or Magisterial Division	Name of Sub-Inspector's range	No. of Sub-Inspectors	No. of Sub-Inspectors Orderlies	Name of party	Number of Petty officers	Number of Peons.
Gumsur	Belligumba	1	3	Belligumba	1	5
				Baruda	1	5
Surada	Bodagada	1	3	Surada	1	8
				Chinnakimedi	1	5
Aska	"	"	"	* Aska	1	5

* This party works directly under the Inspector.

3. In September 1892 the Deputy Commissioner, Northern Division reported that Smuggling of liquor was carried on on an extensive scale from the adjoining Jayagur feudatory State of Bengal into the British villages bordering on the Gumsur taluk, that the Belligumba party, employed in that part of the circle, could not, owing to its extensive jurisdiction, effectively check it without detriment to its other duties and that he had, therefore, ordered the formation of an experimental party consisting of 5 men for patrolling the frontier, two of whom (1 petty officer and 1 peon) were taken from the Aska party consisting of 1 petty officer and 5 peons and 3 from the Surada party of 1 petty officer and 8 peons. This arrangement which did not involve any extra expenditure, was approved by the Board in October 1892, as a temporary measure. In June 1893, the Board, while permitting the retention of the party for another year, recommended to Government, in consideration of the unhealthy and remote nature of the tracts patrolled by it, the grant of an extra allowance

allowance to the men employed therein
Similar to that Sanctioned for the
men in the other unhealthy parts
of the Circle. The Board's recommend-
ation was approved in Government
order No 690 Revenue, dated 28th July
1893. The party was given a further
trial for two more years in the Board's
Proceedings* noted in the margin and
the Sanction of Government was
obtained to the Continuance of
the payment of the Extra allowance,
in Government Orders Nos Nos
3084 and 3821 Revenue dated 7th
August 1894 and 20th September
1895, respectively.

4. The local officers now report
that the party has had sufficient
trial and recommended its per-
manent retention on the frontier.
They state that, though the amount of
detective work done by it has not
been such as to justify its re-
tention, (vide figures given in the
margin) the mere fact of its exist-
ence has been Contributing very
greatly to the prevention of Smuggling
which otherwise would be extreme-
-ly prevalent owing to the low price
of arrack at the Ajency stills and the
hilly and jungly nature of the Country
The tracts in the Gumsur taluk
bordering on the frontier are no
doubt sparsely populated and Con-
tribute but little to the Abkari
Revenue, but illicit liquor
might very easily pass through
them to more thickly inhabited
areas if no obstacles are imposed
along the frontier. The Board
therefore in the above Circumstances
agrees with the local officers in
Considering that the party should
be permanently retained

5- No additional Establishment is reported to be necessary, but, in lieu of the arrangements now in force, the Assistant Commissioner Suggests the following re-distribution of the preventive Establishment, including the additional Sub-Inspector and 3 orderlies Sanctioned in Government Order No 294 Revenue dated 30th June 1896. in Connection with the introduction of the T. T. System in the Circle:-

(i) to split up the present Bodagada range into two, the Surada and Aska, and place the 3rd Sub Inspector Sanctioned for the Circle in charge of the Aska range.

(ii) as a result of (i) to take away the Chinnakimedi party from the (present Bodagada and future) Surada range and attach it to the Aska Sub Inspector, and to retain the full Sanctioned strength of 1 petty officer and 8 peons for the Surada party in view of the large amount of T. T. work in the tracts patrolled by it.

and (iii) to transfer the present Aska party of 1 petty officer and 5 peons, which has not much Serious Crime to deal with, for work along the frontier, attach it to the Belliguda Sub Inspector and call it in future the "Konchodli" party. The Sub Inspectors' and parties' ranges re-arranged in accordance with the foregoing Suggestions will stand as shown below:-

Taluk or Magisterial Division	Name of Sub Inspector's range	No of Sub Inspectors	No of Sub Inspectors or Jemadars	Name of Party	No of Petty officers	No of Peons.
Gumsur	Bellijumka	1	3	Konacholli	1	5
				Baruda	1	5
				Bellijumka	1	5
Surada	Surada	1	3	Surada	1	8
Aska	Aska	1	3	Chinnakimedi	1	5

This re-distribution has the approval of the Board.

6. The management will involve grant of a permanent extra allowance to the future 'Konacholli' party of 1 petty officer and 5 peons in lieu of the similar allowance granted as a temporary measure to the experimental party of 1 petty officer and 4 peons. The Board requests that Government will be pleased to accord Sanction to the additional expenditure of Rs 3-8-0 per mensem, on account

1 Petty Officer @ Rs 1 — = 1-0-0
5 peons @ 8 as each — = 2-8-0
Rs 3-8-0

account of the extra allowance the cost can be met from the provision made in the current year's budget.
