Note

Of the estimates referred to in the accompanying Office Note from the Financial Dept, all with the exception of those relating to the Registration of Seaborne Trade, and District Manuals & Famine Relief in charge of Mr Hoffman will be found embodied in B.P. No 703 (Press) of 10th Nov 1897, a manuscript copy (No 9733) of which was received in the Office on the 13th idem. ~~Last year when the Board submitted a similar copy the Secretary decided to look into it~~ The copy it will be seen is too unwieldy to be submitted for orders and the Office has therefore been awaiting a printed copy from the Board. Two days ago the latter telephoned to say that printed copies would be sent as soon as

as possible. A reminder has again been sent to our Board.

Dtm.
3.XII.97

As regards the estimate relating to District Manuals it is understood that the clerk here has omitted an estimate to Mr Stuart, the officer in charge. It is expected in the course of a week.

3/XII/97

The existing rules do not prescribe any budget estimate of expenditure for famine relief in charge of civil officers. G.O. 356 2-6-96 Finl which embodies a list of all the budgets due to the Finl Dept does not mention it. In view of the uncertain character of the N.E. monsoon, the Finl Dept wants a full budget this year it will have to be informed that it is as yet impossible to say whether any relief will become necessary. all the information available as regards famine expenditure in the current year has already been furnished to the Finl Dept
