Rents for Port lands

The proposed rates of rent for land within the limits of the port of Calicut when used for purposes other than those already provided for, approved and ordered to be published in the Fort St. George and Malabar District Gazettes.

Rept 4/1/97

GOVERNMENT OF MADRAS.

MARINE DEPARTMENT.

Read—the following paper:—

From Commander H. A. STREET, R.I.M., Presidency Port Officer, Madras, to the Secretary to Government, Marine Department, dated Madras, 9th December 1896, No. 956/406 G.

With reference to the ground rent rates for lands within port limits at the port of Calicut, sanctioned in G.O., Marine, No. 250, dated 21st July 1893, I have the honour to acquaint you, for the information of Government, that the Port Officer, Calicut, has brought to notice the necessity for levying rent on such lands when used for purposes other than those specified in the Government Order above quoted in order to prevent the storage of goods, &c., on the beach for indefinite periods to the impediment of traffic. These purposes and the rates proposed by the Port officer are as shown below. They have the approval of the Collector of the District, and I recommend the same for the sanction of Government.

For storing timber, before shipment or after landing—3 pies per square yard for each month or part thereof.

For storing cargo other than timber or firewood before shipment or after landing—3 pies per square yard for each month or part thereof.

For hauling up a cargo or other boat for repairs—3 pies per square yard for each month or part thereof.

For building a cargo or other boat—3 pies per square yard for each month or part thereof.

Order—No. 875, Marine, dated 19th December 1896.

The proposed rates are approved, and will be published in the Fort St. George and Malabar District Gazettes.

NOTIFICATION.

The following additions are made to the schedule of rents for port lands published at pages 905 *et seq.* of the *Fort St. George Gazette* of the 8th August 1893:—

For storing timber, before shipment or after landing—3 pies per square yard for each month or part thereof.

For storing cargo other than timber or firewood before shipment or after landing—3 pies per square yard for each month or part thereof.

For hauling up a cargo or other boat for repairs—3 pies per square yard for each month or part thereof.

For building a cargo or other boat—3 pies per square yard for each month or part thereof
