The Collector of Cuddapah

Sir

With reference to your letter
No. 6660 of 96 dated the 6th
December 1896, I have the honor
to report that the condition of
my division has become worse
and that relief works have been
opened recently in the seriously
affected parts. In almost all the
districts the headquarter deputy
Collector's office has its full complement
of a division office, while this office
alone has the misfortune of being
short

short-handed by a clerk. This clerk was transferred to the Sidhant Division office some years ago, and ever since, the work in the office has become slow. It is therefore highly desirable that this office should be placed in equal position with the Headquarter Divisional Offices of other districts in the Presidency in connection with the office establishment, and I request that you will kindly consider the case favourably and obtain sanction of Government for the retransfer of the clerk in question.

3. The voluminous correspondence that has taken place since October last in connection with famine has put my establishment under the necessity of working in the morning and late in the night. And even then, it has not been able to cope with the work. If my clerks continue any further to work at this rate, I am sure that all of them will be affected in their health and the office will be dislocated very

very shortly. The work in the office is suffering materially. The perusal and the registry of the numerous papers relating to famine correspondence absorb much of my establishment's time and to add to it, the pressure of jamabandi work may tell very heavily on the already short-handed office. Under these circumstances, I beg that you will be so good as to obtain the sanction of Government for the obtaining of an additional hand on Rs 25 - asked for in my letter Ref No 2745 of 96 dated the 27th November 1896.

I have the honor to be,
Sir,

Your most obedient servant

The following letter from the
Collector of Cuddapah, dated
27th April 1897 Ref on current No.
1659 of 1897:-
Rev

In forwarding herewith a
Copy of the letter from the Deputy
Collector of Cuddapah Division
No Current 808 dated 30th March
1897 applying for an additional
Clerk on Rs 25 per mensem for
his office, I have the honor
to state that the establish-
-ment of the Cuddapah Deputy
Collector's office contains only
3 Clerks as detailed in the margin
The

1 Head Clerk Rs 45

2nd Clerk - Rs 20

3rd Clerk Rs 15

The fourth Clerk of this office was permanently transferred to the staff of the Sishoub — Deputy Collector's office. Vice Board's Proceedings 233 Mys Land Revenue dated 9th January 1892. Since then the office establishment, which was consisted of only three hands has been unable to cope with the work, which has been — increasing of late years —

2 Owing to the present unfavourable character of the season, the Deputy Collector has to look after famine work in addition to his own ordinary duties and has also to do the jama bandi of one taluk. There are two relief works in progress in Cuddapah taluk, one at Kodur and the other at Gangirevoipalli, the numbers on them being nearly 7,000. — Some more works are likely to be

be opened in this taluk soon and gratuitous relief has also been organized shortly. I consider therefore that the Clerical help asked for is absolutely necessary, and recommend that sanction may be obtained for the entertainment, as a temporary measure, of a Clerk on Rs 20 for the work connected with the state of the season. The services of this Clerk will be dispensed with as soon as famine operations are over.

Resolution

Submitted to Government with the request that the temporary entertainment of a Clerk in the Headquarters Deputy Collector's office on Rs 20 may be sanctioned

2. The Collector is requested to submit a proposition statement
