REVENUE BOARD OFFICE MADRAS.

Memorandum.

(Settlement, Land Records and Agriculture.)

Dated the 6th March 1897.

No. 1687 Mis

The Board begs to draw the attention of the Chief Engineer to the fact that the Collector of Kurnool reports that, in spite of his reports to the Executive Engineer, considerable delay has been allowed to take place in opening relief works, which he considers necessary in the Pattikonda Taluk, and that the Public Works Department does not appear able to take over charge of all the works in the Head assistant Collector's division of the district, and it therefore requests that such orders may issue as will prevent any further delay in these respects, in order that the risk of the people falling into bad condition may be avoided.
