Agents' Division of the ^{Vizagapatam} ~~for~~
 Agency ^{it was} ~~traced~~, remarked that the
 fall in the Abkari revenue was partly
 due to the hill men being unable
 to earn money by their usual sale
 of myristolam since the introduc-
 tion of Forest Leigniorage (vide page
 of the G.O. flagged A) when the report
 was communicated to the R.D. it
 was pointed out by the Office that
 in issuing orders on the subject the
 Govt had already taken the necessary
 precautions to prevent the burden
 of the seigniorage falling on the hill men
 and if there was a fall in the receipts
 it must apparently have been due to
 the merchants and contractors not
 purchasing the same quantity as be-
 fore. (vide note flagged B)
 The Board on referring the
 matter to it furnished the same in-
 formation as was given in the office letter
 but called upon the Agent to submit
 a brief report (vide G.O. 199 ^{14.1.97} flagged C)
 the present report ^{which} ~~the~~ Agent accord-
 ingly submits, and it is to be noted
 that Mr. Cotton's remarks were
 based on insufficient data and that
 the levy of seigniorage on myristolam
 had nothing whatever to do with the
 fall in the Abkari receipts.

As the Conservator points out
 this fall is either on the
 coast or the middlemen
 the decrease in the trade is
 due to the competition of other
 articles.
