READ.....

The following letter from the
Collector of Ganjam dated 26th April
1897 No. Re 254 of 1897

I have the honor to point
out that under Section 124
of the Famine Code special
diet can only be allowed on
the written order of a Medical
Officer.

2. In this District many of the
Kitchens are situated at a
considerable distance from
any dispensary, and in some
cases of new admission, special
diet is immediately required.

I would therefore request that the provision of Section of 124 Famine Code be so modified as to allow of Collectors and divisional officers admitting persons to the special diet prescribed in Section 124 in anticipation of the written order of a Medical officer whose attention should be drawn to the order on the occasion of his next inspection

Resolution

The Collector's suggestion is approved. Considering the special circumstances of his District.
