READ—the following papers:—

G.O., No. 180, Revenue, dated 18th March 1897.

Read—the following Proceedings of the Board of Revenue (Revenue Settlement, &c.), dated 6th March 1897, Mis. No. 1690, on the following letter from the Collector of Vizagapatam, dated 1st March 1897, Ref. C. Nos. 508 & 725:—

I have the honour to report that in the Golconda taluk 729 applications were received for loans under the Agriculturists' Loans Act for the purchase of cattle and seed-grain for the next cultivation season and of fodder for cattle.

2. These applications cover a sum of Rs. 52,000, and it is likely that many more applications may be received. I am unable to say how much money may be required and will therefore defer making an application for allotment of funds till enquiry into a fair proportion of the applications has been concluded. Meantime I request the Board will be pleased to sanction the entertainment of a revenue inspector on Rs. 35 and a clerk for the taluk office on Rs. 15. The ordinary staff has its hands quite full owing to azmoish and jamabandi work, and the employment of the special establishment asked for is indispensable for the speedy disposal of the applications.

Resolution—dated 6th March 1897, Mis. No. 1690.

Submitted for the orders of Government.

2. In the circumstances reported by the Collector, the Board recommends that sanction may be accorded for the entertainment of an additional revenue inspector on Rs. 35 and a clerk on Rs. 15 for the Golconda taluk for a period of three months.

3. The Collector will be requested to submit a proposition statement in duplicate for the establishment proposed.

4. The Board takes this opportunity of requesting Government to sanction an allotment of Rs. 10,000 for the year 1897-98 to meet the cost of establishment already entertained and likely to be entertained for the prompt disposal of applications for loans. The cost of the establishment already entertained comes to Rs. 741 per month, and if the distress continues, the Board has no doubt that more applications for additional establishments will be received. In the case of establishments already entertained, the cost was proposed to be met from savings under temporary establishment under "3-A.—Land Revenue—Charges of District Administration", and the Board considers that it is not safe any longer to indicate the same source, as sufficient savings cannot be expected to accrue under that head to meet the increasing cost.

Order—No. 180, Revenue, dated 18th March 1897.

The recommendation in paragraph 2 is approved and sanctioned. Seeing, however, that the sums applied for amount to over half a lakh of rupees, the Board should consider whether a Tahsildar would not be of greater assistance to the Collector than a revenue inspector.

R MAY 97

2. Orders will issue in the Financial Department sanctioning an allotment of Rs. 10,000 for 1897-98 in respect of loans establishments.

From W. H. MICHAEL, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 7th April 1897, No. 1122.

With reference to Assistant Secretary Mr. A. R. Knapp's endorsement, No. 746, dated the 25th March 1897, referring to me for remarks G.O., No. 180, Revenue, dated 18th March 1897, as to the incidence of the charge on account of an additional revenue inspector and a clerk sanctioned for Golconda taluk for three months for the disposal of applications for loans, and the source from which an allotment of Rs. 10,000 required on such establishments for 1897-98 may be met, I have the honour to state that the cost of the establishment above referred to should be debited to "Temporary establishments" under "3.—Land Revenue—Charges of District Administration" in the accounts and taken against the grant included in the current year's budget under that head. If necessary, that allotment can be raised later on by reappropriation of savings under other heads with reference to actuals then available.

ORDER—No. 351, Financial, dated 22nd April 1897.

The expenditure will in the first instance be met from the provision in the budget as suggested by the Accountant-General. Arrangements should, however, be made for exhibiting these charges separately in the consolidated statement referred to in paragraph 2 of G.O., No. 25, Financial, dated 12th January 1897.
