Collector's letter in G.O. ³⁶⁷₂₅₋₃₋₈₅ and para 2 of this G.O. in which in 1885 the Govt authorized the remission of ^{quitrent (dry)} ~~of (dry) quitrent~~ on ^{service} ~~in the case~~ of ^{left in the} ~~in the~~ lands and the suspension of the demand in the case of persons whose the holders of which were very poor. In 1887 when the drought was not so severe the Govt accepted the Board's recommendation that no remission should be granted in the case of persons paying a favorable rate of assessment (G.O. ³⁰⁵₁₉₋₃₋₈₇)

2. The present drought is much more ~~severe~~ severe in its results than that of 1885, and it is submitted that no exception need be taken to the instructions issued by the Board

Kist Collections.—Passing orders on letter from the Collector of Kurnool inquiring whether Board's Proceedings, No. 94, dated 3rd February 1897, regarding dry remissions in the affected tracts, applies to inam as well as to patta lands.

PROCEEDINGS OF THE BOARD OF REVENUE
(REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—the following letter from E. A. ELWIN, Esq., Acting Collector of Kurnool, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated 26th March 1897, R.C. No. 333-Ver. :—

in Com 93
(Reg 17) I have the honour to inquire whether B.P., No. 94, dated 3rd February 1897, directing the non-enforcement of collection of dry kists applies to inam as well as to patta lands. It was decided in paragraph 1 of G.O., No. 365, Revenue, dated 19th March 1887, that no remissions should be granted in the case of inams other than village service inams paying full assessment.

RESOLUTION—dated 5th April 1897, No. 280.

The Collector is referred to G.O., No. 367, Revenue, dated 25th March 1885, in which Government has observed that in the case of personal minor inams, the holders of which are very poor, the demand may be *suspended* at the Collector's discretion, each case being dealt with on its merits. One guiding principle will be useful in considering such cases, viz., whether the inamdar is a cultivator or not. When the inamdar belongs to the non-cultivating classes and is a mere middleman, the Government claim may be enforced punctually.

READ—again the following Proceedings of the Board of Revenue (Rev. Sett., L. R. and Agri.), dated 30th March 1885, No. 1035:—

Read—the following G.O., No. 367, Revenue, dated 25th March 1885:—

Read—Proceedings of the Board of Revenue, dated 11th March 1885, No. 810.

ABSTRACT.—Passing orders on letters from Collectors of Bellary and Anantapur, submitting proposals for the grant of remissions on dry lands in their districts.

Order—No. 367, Revenue, dated 25th March 1885.

The Government approve the Board's Proceedings except as regards the rate of remission for lands which have yielded a crop of 2 to 4 annas, and they consider that full remission should be granted in all cases in which the yield has been under 1 annas.

2. The Board do not notice two points raised in Mr. Galton's letter. It appears to Government that the quit-rent on service inams (minor) left waste may be remitted, the remission being restricted of course to dry lands. In the case of personal minor inams, the holders of which are very poor, the demand may be suspended at the Collector's discretion, each case being dealt with on its merits. On the subject of the suspension of settled demand on ryotwari land, the Collectors should use their discretion, restricting the indulgence to unprotected dry land and to ryots who have absolutely no property other than ploughing cattle and household or agricultural implements.
