Resolution

The Director's opinion quoted by the Superintendent was based on the assumption that Mr. Jeremiah Head's conclusions could be accepted. The matter however is still under investigation and it has been stated in the newspapers that this has been pointed out to the Director by the Government of India.

2. For the reasons given in para 15 of Board's Proceedings No. 24, dated 19th January 1897, the Board considers that it is of importance that the investigation of the Kurnool ores should be proceeded with without delay.
