For orders.

The collector of Bellary states that there is a great want of good sources of water supply in his district and that this want which is felt every hot weather exists in an intensive form this year. Mr. Stuart points out that the funds of the District and Taluk Boards are wholly inadequate to meet the cost of deepening existing or sinking new wells in even a fraction of the villages in which these improvements are required and accordingly suggests that the Surplus Poured Funds of the district may legitimately be devoted to supplementing the

the other resources available for supplying these grievous needs. The Board supports the collector's recommendation which is made under Section 18 of the Cattle Trespass Act I of 1871 (India).

2. The Pound Fund is an incorporated Local Fund at the unfettered disposal of Govt and the surplus of receipts over expenditure every year merely merges in the Provincial balance and is adjusted by the A.G. ^{against} certain charges which are designated "agricultural services".

Under Section 95 (iii) of the Local Board Act I of 1884, the construction and repair of tanks and wells is a duty devolving upon the
