Resolution:

The following reply will be sent to Government:—

"Stone and Brindley already placed at Collector's disposal. Greater doing Taluk Relief Officer's work in his own circle. Will arrange to supply salt officers on famine work with tents if possible."

2. The Deputy Commissioner, Northern Division will be requested to arrange with the Native Inspectors of Circles in his division to manage with their sleeping pals and servants tents only for the present thus making the

the hill and necessary tents available
for departmental officers on famine
duty. In some cases it may suit the
famine officers better to have the
sleeping pals. If so, they may begin
instead. Some tents can also very
likely be spared from circles that have
two sets one for the Inspector and
another for the Assistant.
