POLITICAL OFFICE.

No.88 of 1897.

From

T. Chichele-Plowden, Esquire, C.S.I.,

Resident at Hyderabad,

To

The SECRETARY to the GOVERNMENT of INDIA,

Finance and Commerce Department, Calcutta.

Dated Hyderabad Residency, the 17th March 1897.

Sir,

I have the honour to acknowledge the receipt of your letter No. 1096-S.R., of the 9th March 1897, regarding the proposals made by the Government of Madras in connection with the supply of receipt and hundi stamps required for the Hyderabad Assigned Districts.

2. The proposals above referred to involved an increase of establishment required by the Superintendent of Stamps, Madras, to enable him to supply the receipt and hundi stamps direct to Treasury Officers in Berar instead of, as at present, through the Hyderabad Residency stamp office. As the advantages to be derived from the direct supply of the stamps in question are hardly commensurate with the increased cost proposed, I am of opinion that the existing arrangement should be continued, and do not therefore propose any change at present.

The Hon. Mr. Polier C. Esq.

What an appalling
delay!

How can it arise. I hope it
is clear. //
15/97.

This Govt's letter to the Govt.
of India was despatched
on the 10th June 95 i.e. on the date of
the letter itself.

The Govt of India referred the
question to the Resident at Hy-
derabad in its letter of 11-7-1895
and the Resident's final
reply is dated 17th March 1897.
But the Resident does not
seem responsible for the
entire delay. There appears
to have been some inter-
mediate correspondence between
the two Govt authorities. It is
presumed that nothing is to be
said about it.

Civ. 3469 of 1897

For orders.

Please see letter
to the Govt of India No. 345
of 10-6-95 to which the Cur-
rent read alone is the reply.
From the correspondence
now forwarded by the
Govt of India (Current),
it will be seen that the
Resident at Hyderabad
is of opinion that as the
advantages to be derived
from the direct supply
of the stamps to the Treasury
Officers in Berar are hardly
commensurate with the
increased cost proposed by
this Govt, the existing ar-
rangement of supplying
them through the Hyderabad
Residency Stamp Office should
be continued. The Govt of
India enquires whether,
in view of the Resident's opi-
-nion, the proposal of this
Govt. to maintain a sepa-
rate establishment at an
increased

increased cost of Rs 66 at the
Madras Stamp Office may
be dropped. As the
Supt of Stamps has agreed
to carry out the direct
supply of stamps to the
Treasury officers in Berar
without exceeding the same
-tioned allowance of Rs 23,
he can obviously have no
objection to the continuance
of the existing practice of
making the whole supply
through the Residency stamp
Office at that cost. The
question for consideration
is whether this sum should
as at present, be paid as
extra remuneration to the
clerks in the office, ^{continuing to be doing} who
do the work ^{continuing to be doing} out of office
hours, or whether one or
two men should be en-
-tained at a total cost
not exceeding this sum, to
do the work during office
hours. If the latter, the
appointment may be treated
as temporary to same pen-
-sionary

He also see H's note under Tab E

pensionary and other charges.
If the men to be employed
should be treated as on
~~deputation~~ Foreign Ser. ²²
vice of the third kind ^{under}
~~the meaning of~~ Part VII of
the C.L.R., and if the present
allowance of Rs 23 is not
to be exceeded, as is appa-
rently the intention of the
Resident and the Govt of
India, the sum available
for disbursement to the
men to be employed, i.e.
exclusive of the amount
payable on account of
leave and pensionary con-
-tribution, will only be
Rs 195. On the whole, it
would perhaps be best to
let the existing system
stand in compliance with
the Resident's desire, and
inform the Govt of India
accordingly. If, however,
this is considered inad-
-visable, the Supt of
Stamps may be asked to
state what proposals he
would

would make for the cost
- due to the work during
office hours, the total
cost not exceeding the
present allowance of Rs 23.

Orders are re-
- quested.

Under the circumstances it
will I submit be advisable
to make no change

1/6/97

So it is better that
work like the work being done out
of office hours, i.e., without pro-
per supervision - see para 2
of letter of 10/6/95 - better ask
the Supt. if he can't arrange for
the work being done in office hours,
if necessary by taking on temporary
hands at a cost not exceeding Rs 23

G.O. No. 2398 of 12th May 97
Communicated

to the Board of Rev in
Continuation of G.O. 344
dated 10th June 1895. As it
is inexpedient, as already
remarked in para 1 of that
order, to allow such res-
ponsible work as the manu-
facture and distribution
of stamps, to be done out
of office hours, without
proper supervision, the
Superintendent of stamps
should be called upon
to report, as early as
possible, if he cannot
arrange for the work being
done during office hours,
by abolishing the present
system of remuneration
and employing in its stead
temporary additional
hands at a cost not
exceeding Rs 23 per manum.
