*Resolution*—Forest Mis. No. 1005, dated 12th July 1895.

The Collector is requested to report whether it would not be a good plan to divide the area into two blocks by throwing out the Kammapuram large tank and the assessed waste lands to the north of it.

2. The claim to survey No. 19 of Kolappakkam has been admitted by the Forest Settlement-officer in claim No. IX, but is disallowed in claim No. XII. The two decisions conflict with each other.

3. An early reply is requested.

*Read*—again the following Proceedings of the Board of Revenue (Land Revenue), Forest Mis. No. 1928, dated 20th December 1895:—

*Read*—the following letter from A. E. CASTLESTUART STUART, Esq., Acting Collector of South Arcot, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Central Circle), dated Cuddalore, 10th December 1895, Ref. on Extra Forest No. 326:—

With reference to Board's Proceedings, Forest Mis. No. 1005, dated 12th July 1895, I have the honour to state that in consequence of the question raised therein, and of a petition put in by certain ryots of Kolappakkam village regarding the exclusion from reservation of certain lands, the District Forest-officer recently inspected the Kammapuram block No. 133 in the Vriddhachalam taluk. He is of opinion that, instead of altogether throwing out the Kammapuram large tank and the assessed waste lands to the north of it and thus dividing the block into two separate portions, it would be advisable to exclude the greater number of assessed waste fields and the southern part of the tank as indicated in the accompanying sketch with blue lines, and thus preserve the compactness of the area. Under this arrangement only about one-third or less of the area of the tank would be included within the block, while the exclusions proposed by the District Forest-officer would amply meet the requirements of the villagers. The portion of the tank proposed to be retained is suitable for raising a growth of karuvelam (*Acacia arabica*) with which the area is at present scantily furnished.

2. The block lies close to the Vriddhachalam-Porto Novo public road, and at a distance of about 6 miles from the former place, and it is reported that there is little grazing ground available in the neighbourhood. I therefore consider that the retention of the block as a source of fuel and fodder supply is a matter of importance. But as it is more convenient for administrative purposes to deal with the area as one block, instead of as two, I would recommend the proposal of the District Forest-officer for favour of the Board's acceptance. On receipt of orders on this subject, I shall have the settlement records amended.

3. The attention of the Forest Settlement-officer has been drawn to the conflicting orders passed by him in regard to survey No. 19 of Kolappakkam referred to in paragraph 2 of the Proceedings under reply.

ENCLOSURE No. 1.—Sketch-map.

Endorsement by E. P. POPERT, Esq., Conservator of Forests, Central Circle, dated Pudupalaiyam, 13th December 1895, No. 1092.

Forwarded. The undersigned agrees with the District Forest-officer whose proposals are concurred in by the Collector.

*Resolution*—Forest Mis. No. 1928, dated 20th December 1895.

The proposal of the District Forest-officer to retain a portion of the tank within the reserve for the purpose of preserving the compactness of the block recommended by the Collector and concurred in by the Conservator, has the Board's approval, and the Collector is requested to submit at an early date the settlement records amended accordingly.

Secretary.

To the Collector of South Arcot, with map returned through the  
Conservator of Forests, Central Circle.

*Read*—also the following letter from G. W. DANCE, Esq., Acting Collector of South Arcot, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Central Circle), dated 5th June 1896, Forest Ex. Cur. No. 326:—

With reference to the Board's Proceedings, Forest Mis. No. 1928, dated 20th December 1895, I have the honour to resubmit the settlement records of the Kammapuram block, as they have been duly revised by the Forest Settlement-officer.

2. In regard to paragraph 2 of the Board's Proceedings, Forest Mis. No. 1005, dated 12th July 1895, the Forest Settlement-officer explains that the inclusion of survey No. 19 of Kolappakkam in claim No. XII was a clerical error. He adds that he has struck it out from the B. Register, but this is not the fact.

3. The area of the block as it stands now is 1,377 acres. A revised statement of area and condition is enclosed.

4 BOARD OF REVENUE (LAND REVENUE), FOREST No. 551, 5TH DECEMBER 1896.

ENCLOSURE No. 2.

From W. C. McMURRAY, Esq., Forest Settlement-officer and Special Deputy Collector, North Arcot, &c., districts, to the Collector of South Arcot, dated Katchirayapalaiyam, 26th March 1895, No. 143.

I have the honour to report the conclusion of the settlement of the proposed Kammapuram reserved forest block No. 133 in the Vriddhachalam taluk of your district.

2. The notification under section 4 proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 14th June 1892, and the proclamation under section 6 was published in the District Gazette Supplement, dated August 1892.

3. The block was perambulated and inspected by me in April 1893 and enquired into in April and October 1893, when twelve claims in all were filed for the following rights:—

- Four claims were to rights of way over two cart-tracks and two footpaths.
- Two claims were to right to burning grounds.
- Three claims were to Government patta and inam rights over 102.21 acres of land.
- Three claims were to miscellaneous rights.

The claims in items Nos. (i), (ii), (iv) and two claims in item (iii) were fully admitted, and one claim in item (iii) was partly admitted and partly rejected.

The last claim was disposed of on 21st December 1894, and the appeal time expired on 20th January 1895 without any appeal being filed.

4. The block is thus free of all rights except those admitted above.

5. The following are sent herewith:—

- B. Register of claims.
- Draft notification under section 16.
- Numerical statement of claims filed and disposed of.
- Sketch of the block.

6. The date in the draft notification is left blank. Two months' time will be necessary to have it duly published as required by the Act.

P.S.—After the submission of the above, the papers were returned stating that the District Forest-officer wishes to exclude the greater portion of the assessed fields and the southern part of the Kammapuram Periya Eri (tank) as shown in the sketch.

ROLLA,  
4th March 1896.

(Signed) W. C. McMURRAY,  
Forest Settlement-officer.

RESOLUTION—Forest No. 551, dated 5th December 1896.

The settlement papers revised and received with the letter read above, will be submitted to Government with the request that the draft final notification may be approved and ordered to be published in the *Fort St. George Gazette*, the reservation to take effect from the 31st March next.

2. As recommended by the Collector and Conservator, a portion of the Kammapuram tank has been included within the block in order to render the reserve more compact.

3. *Claim XI*.—The footpath dealt with leaves the reserve north-east of the north-west corner of survey No. 627, and not of No. 623 as recorded in the register and notification. The Board has made the necessary correction so as to make the notification correspond with the map.

4. As remarked by the Collector in paragraph 2 of his forwarding letter, the entry regarding survey No. 19 against claim XII has not been struck out of the B. register. Such omissions should not recur.

5. The block covers an area of 1,377 acres as finally settled.

Resolution—Forest Mis. No. 1005, dated 12th July 1895.

The Collector is requested to report whether it would not be a good plan to divide the area into two blocks by throwing out the Kammapuram large tank and the assessed waste lands to the north of it.

2. The claim to survey No. 19 of Kolappakam has been admitted by the Forest Settlement-officer in claim No. IX, but is disallowed in claim No. XII. The two decisions conflict with each other.

3. An early reply is requested.

Read—again the following Proceedings of the Board of Revenue (Land Revenue), Forest Mis. No. 1928, dated 20th December 1895:—

Read—the following letter from A. E. CASTLESTUART STUART, Esq., Acting Collector of South Arcot, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Central Circle), dated Cuddalore, 10th December 1895, Ref. on Extra Forest No. 326:—

With reference to Board's Proceedings, Forest Mis. No. 1005, dated 12th July 1895, I have the honour to state that in consequence of the question raised therein, and of a petition put in by certain ryots of Kolapakkam village regarding the exclusion from reservation of certain lands, the District Forest-officer recently inspected the Kammapuram block No. 133 in the Vriddhachalam taluk. He is of opinion that, instead of altogether throwing out the Kammapuram large tank and the assessed waste lands to the north of it and thus dividing the block into two separate portions, it would be advisable to exclude the greater number of assessed waste fields and the southern part of the tank as indicated in the accompanying sketch with blue lines, and thus preserve the compactness of the area. Under this arrangement only about one-third or less of the area of the tank would be included within the block, while the exclusions proposed by the District Forest-officer would amply meet the requirements of the villagers. The portion of the tank proposed to be retained is suitable for raising a growth of karuvelam (*Acacia arabica*) with which the area is at present scantily furnished.

2. The block lies close to the Vriddhachalam-Porto Novo public road, and at a distance of about 6 miles from the former place, and it is reported that there is little grazing ground available in the neighbourhood. I therefore consider that the retention of the block as a source of fuel and fodder supply is a matter of importance. But as it is more convenient for administrative purposes to deal with the area as one block, instead of as two, I would recommend the proposal of the District Forest-officer for favour of the Board's acceptance. On receipt of orders on this subject, I shall have the settlement records amended.

3. The attention of the Forest Settlement-officer has been drawn to the conflicting orders passed by him in regard to survey No. 19 of Kolapakkam referred to in paragraph 2 of the Proceedings under reply.

ENCLOSURE No. 1.—Sketch-map.

Endorsement by E. P. POPERT, Esq., Conservator of Forests, Central Circle, dated Pudupalaiyam, 13th December 1895, No. 1092.

Forwarded. The undersigned agrees with the District Forest-officer whose proposals are concurred in by the Collector.

Resolution—Forest Mis. No. 1928, dated 20th December 1895.

The proposal of the District Forest-officer to retain a portion of the tank within the reserve for the purpose of preserving the compactness of the block recommended by the Collector and concurred in by the Conservator, has the Board's approval, and the Collector is requested to submit at an early date the settlement records amended accordingly.

Read—also the following letter from G. W. DANCE, Esq., Acting Collector of South Arcot, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Central Circle), dated 5th June 1896, Forest Ex. Cur. No. 326 :—

With reference to the Board's Proceedings, Forest Mis. No. 1928, dated 20th December 1895, I have the honour to resubmit the settlement records of the Kammapuram block, as they have been duly revised by the Forest Settlement-officer.

2. In regard to paragraph 2 of the Board's Proceedings, Forest Mis. No. 1005, dated 12th July 1895, the Forest Settlement-officer explains that the inclusion of survey No. 19 of Kolappakkam in claim No. XII was a clerical error. He adds that he has struck it out from the B. Register, but this is not the fact.

3. The area of the block as it stands now is 1,377 acres. A revised statement of area and condition is enclosed.

#### ENCLOSURE No. 2.

From W. C. McMURRAY, Esq., Forest Settlement-officer and Special Deputy Collector, North Arcot, &c., districts, to the Collector of South Arcot, dated Katchirayapalaiyam, 26th March 1895, No. 143.

I have the honour to report the conclusion of the settlement of the proposed Kammapuram reserved forest block No. 133 in the Vriddhachalam taluk of your district.

2. The notification under section 4 proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 14th June 1892, and the proclamation under section 6 was published in the District Gazette Supplement, dated August 1892.

3. The block was perambulated and inspected by me in April 1893 and enquired into in April and October 1893, when twelve claims in all were filed for the following rights :—

- Four claims were to rights of way over two cart-tracks and two footpaths.
- Two claims were to right to burning grounds.
- Three claims were to Government patta and inam rights over 102.21 acres of land.
- Three claims were to miscellaneous rights.

The claims in items Nos. (i), (ii), (iv) and two claims in item (iii) were fully admitted, and one claim in item (iii) was partly admitted and partly rejected.

The last claim was disposed of on 21st December 1894, and the appeal time expired on 20th January 1895 without any appeal being filed.

4. The block is thus free of all rights except those admitted above.

5. The following are sent herewith :—

- B. Register of claims.
- Draft notification under section 16.
- Numerical statement of claims filed and disposed of.
- Sketch of the block.

6. The date in the draft notification is left blank. Two months' time will be necessary to have it duly published as required by the Act.

P.S.—After the submission of the above, the papers were returned stating that the District Forest-officer wishes to exclude the greater portion of the assessed fields and the southern part of the Kammapuram Periya Eri (tank) as shown in the sketch.
