Copy of communication No. 358 of 97 dated 26th January 1897 from the Head Assistant Collector Madura, to the Collector of Madura

I have the honor to submit herewith a copy of the Madura Division Executive Engineer's letter to me No. 1659/2i dated 18th January 1897, in which he tells me that the construction of the Head Assistant Collector's office at Ram-nad has been completed as per sanctioned estimate and that the omissions pointed out in the new building have been provided for in the supplemental estimate which has been sent to the Superintending Engineer for sanction and requests me to take charge of the building and return to him the Certificate sent by him to me duly signed

2. It has ^{already} been reported to you in this office letter dated 31st October 1895 Dis No. 161 of 1895 ^{Revenue} what are the omissions to be supplied to the new building. I think at least some of these omissions, such as the fixing of ~~the~~ ^{the} records and the matting of the floor, should be supplied before my office is removed to the new building.

If my office alone is removed to it and the records left behind, that will entail much inconvenience not only in the conduct of business but also in providing watch for the night at both the new and the old buildings.

Moreover if the Records are not removed to the new building but only the office, we will still have to pay rent for the old building. Matting the floor is, also, I think necessary before removing the office to the new building as otherwise the floor will get soon injured and necessitate repairs much sooner.

3. Under the above circumstances, I solicit the favour of your orders as to whether I should now take charge of the building and remove the office to it.

Cpy of Madras Collr's letter No 358 of 97 of 26-1-97.

Copy of Communication No 386.M.D. dated 13th March 1897 from the Superintending Engineer 6th Circle, to the Collector of Madura.

The Executive Engineer, Madura Division, has applied for sanction for a watchman to guard the building lately constructed for the office of the Head Assistant Collector at Ramnad, as your department has declined to take charge of the building until the supplemental estimate for certain extra works proposed by your department has been worked out.

2. I understand that the estimate for the building, as sanctioned in Government Order No 5019 of 96 No 3172 W dated 11th December 1894 has been fully completed and it must therefore be taken charge of, the extra works referred to being subsequently considered necessary by your department.

3. The supplemental estimate in question was forwarded to you with this office letter No 149/M.D. dated 2nd February 1897 for sanction of

of Government and in the meantime,
I request you will be good enough to
arrange to take charge of the building.
4. The favor of an early reply is re-
-quested.

MADURA COLLECTOR'S OFFICE,

(Camp) _____

Dated 14 } April. 1897.

Despatched }

From

J. Twigg Esquire,
Collector of
Madura.

To

The Secretary to the Commissioners of
Land Revenue,
Madras.

Sir,

The Head Assistant Collector's office
building at Ramnath was completed by
the middle of January last as per original
estimate, and the Executive Engineer requested
my Head Assistant to take over charge of the
building. As the original estimate did not
provide for the fixing of record racks and
matting of the floor etc, a supplemental
estimate to supply these omissions was
submitted to Government (vide Board's
Proceedings No 617 his dated 18th February 1897).
2. Mr. Thornton represented the difficulties
in the way of removing his office to the
new building at this stage (vide Copy of
his

R.O. 1203
3-3-97

his letter No. ³⁵⁸_{Genl} of 97 dated 26th
January 1897 enclosed) and wished to wait
until the additional works were also finished.
But the Superintending Engineer in his letter
No. 386/m.d. dated 13th March 1897 (Copy enclosed)
having said that the building must be
taken charge of by the Revenue Department,
the extra works being considered subsequently,
I gave orders accordingly and suggested
that some one might be put in charge of
the building. The Head Assistant Collector,
being now in camp, has directed one of his
clerks to take over charge of the building
and arranged to put in a watchman on
Rs 4 per mensem as he cannot spare any
of his own men for the purpose.

3. Under these circumstances, I have the
honour to request that the temporary employ-
ment of the watchman may be sanctioned.

I have the honour to be,
Sir,

Your most obedient servant

Wm
