illustration I will show with reference to the balance of one year *Harli* 1304, that no portion of it is unnecessarily shown as such, and that all possible efforts are being made to collect the recoverable arrears.

2. The balance at the end of the *Harli* was Rs 166,379. Deducting the subsequent collections and remissions and the amount since recommended to be written off, the net recoverable balance on the date of my report was Rs 162,241. This sum is accounted for by the following details:-

| (1) Amount written off as irrecoverable in <i>Harli</i> 1305 as particularised in the margin                               | Rs — 16,873. | No of C.P. in which sanctioned. | Amount.     |

3. From the above it will appear that the largest items are awaiting recovery through the Civil Courts' processes. As regards debts supported by bonds, recourse to the Civil Courts is unavoidable. But for the recovery of rents the speedy process of realisation through the Civil Courts may be replaced by proceedings under the Rent Recovery Act to a larger extent. The Manager states that this is impossible on the ground that the ryots do not execute *machilikhas*; that summary for the enforcement of *patthas* he

# Proceedings of the Court of Wards,

Dated 17<sup>th</sup> September 1896.  
No. 1280 Misc.

Read the following letter from the Collector of Madras,  
No 794 Dis of 96, of 20<sup>th</sup> August 1896  
But

In reference to para 8 of the Court's  
report on the administration of the estates  
during fasli 1304, communicated with Court's  
Shole - Amount collected Proceedings No. 4 Press dated the 13<sup>th</sup>  
or written off. February last, I have the honor  
to report that from the fact that  
large amounts have been outstanding  
for several years, it cannot  
be inferred that arrears have not  
been collected. During the five  
years that the Telapole estate in question  
has been under the Court's management,  
amounts have been collected or remitted  
as shown in the margin. By way of  
illustration

filed in consequence; and that when the summary suit is disposed of, the period of one year within which distraint processes may be taken has expired. But if patta was tendered at the commencement of the fasli, the summary procedure could be enforced as soon as the kists fall due and there would be less need to go to Civil Courts. It has been ruled by the District Court in Appeal suit Nos 620 & 622 of 94 that there is no need to sue to compel acceptance of patta & <sup>that</sup> ~~summed~~ tender of patta is sufficient to enforce the — estate officials to put the coercive processes in force. The Court, in its Proceedings — Dated 3-2-96 No 161 Misc has also expressed an opinion that the District Judge was — right in holding so. I believe the estate officials purposely forego the summary procedure & resort to the Civil Courts because they are thereby saved the trouble of actual collection. I have now issued strict instructions to the Managers on this point.

The real explanation why large

amounts

amounts have to be shown as balance year after year, is partly that in the place of amounts collected fresh instalments of debts & rent fall due every year, and have to be added to the Demand, and partly that the estate ryots are very litigious and will not pay their dues till they have exhausted every device to evade or postpone payment.

The amounts due to the estate are not barred by limitation, since decrees are obtained for debts due under bonds as soon as they become due, since sums secured by decrees are recoverable during 12 years from the date of decree and since the arrears that have accrued since fasli 1299 will not be affected by the statute of limitation the zemindar being a minor.

Resolution.

Recorded.

2. The Court observes that instructions have been issued for the free resort to the summary processes prescribed by the Rent Act.

# REPORT ON THE ADMINISTRATION

OF

## ESTATES UNDER THE COURT OF WARDS IN THE MADRAS PRESIDENCY

FOR FASLI 1305 (1895-96).

| Number of Estates under management.—Including <i>Parlakimedi</i> , there were 54 estates under management on the 1st July 1895. Of these, the eight estates noted on the margin left the Court's hands during the year in question, while the <i>Kasimkota</i> estate in the Vizagapatam district was newly taken up. There were thus 47 estates under management at the end of the year. |                               |  |

The property in the last mentioned case had devolved on the minor proprietor on the death of his mother in 1892, but the Court of Wards did not at once assume control, as the minor's relatives had for some time previously been successfully conducting the duties of management: later on, however, family disputes arose, and for various reasons it was considered advisable, in the interests of the minor, to commit the estate to the charge of the Court; the

Government sanctioned this arrangement in \* March 1895.

Out of the eight estates which left the Court's charge in the fasli under report, the owners of the marginally-noted five estates came of age during the year. The *Meduru* estate was handed over to the Receiver appointed by the District Court of Kistna in connection with a suit filed by the late ward's natural mother, claiming to succeed to the property in preference to his adoptive mother on the ground that the adoption was invalid. The *Ventrapragada* and *Erumaipatti* estates were handed over to the persons found by the Civil Courts to be entitled thereto.

The Court considered again during the year under report, the important question of the legality of retaining control over the whole or a portion of an estate, which is the co-parcenary property of an undivided Hindu family, after the eldest member of that family has attained his majority. This question had, in the year 1874, been submitted by the Court to the Government Pleader for opinion, and acting upon his advice such estates had, in some instances, been retained in the Court's charge in the interests of the younger members of the family, the property being handed over when the said

younger member or members attained majority. The usual practice was, however, to hand over the entire estate to the eldest ward, as soon as he ceased to be a minor, and the advice of counsel consulted in 1896 was to the effect that the Court is bound by law to adopt this course in all cases.

In this view, the Court at once decided upon the restoration of the Elagiri and Mailavaram estates to the eldest owners who had already attained their majority. But an injunction of a Civil Court restraining the Collector from so handing over the Mailavaram estate was obtained by the next friends of the younger members of that family in connection with a suit for partition: the question of appointing a Receiver is now pending before the Civil Courts of Kistna. The Collector, however, reports that the partition of the estate has been settled amicably and will soon be effected. The *Elagiri* estate was handed over to the elder ward after the close of the fasli under report.

The two sons of the Parlákimedi ward have recently presented an application for possession of their share of the balance, which the ward inherited from his father: and the matter is now under the Court's consideration.

As in the previous year, figures regarding *Parlákimedi* are given only in statements I and IV, while *Vádimittá*, which continued in charge of the lessees till the close of the year under report, appears only in statements I and VI. No report was received from the Collector of Górávari in respect of the agency villages of the Pithápuram estate, the non-agency villages (forming the main estate) having been handed over on the 1st of October 1895 to the late Raja's adopted son, who had obtained a decree in the District Court in his favour in the succession suit. The High Court has since reversed on appeal the said decision of the District Court and has ordered that the entire estate shall at once be handed back to the minor son of the late Raja. The *Pithápuram* estate has thus come again under the control of the Court of Wards.

2. *Estates handed over*.—The subjoined statement shows the condition of the surrendered estates at the time of their restoration as compared with their condition when they were taken under the Court's control:—

(a) The decrease is partly due to sale of certain villages for liquidation of debts and partly to fluctuation in the value of grain.

(b) The decrease is mainly due to the exclusion of water-tax, the collection of which was latterly undertaken by the Government itself.

(c) The decrease was due to the sale of a portion of the estate in satisfaction of decrees of the Civil Court.

(d) Mainly due to fluctuation in the value of grain.

(e) Excluding Rs. 78,671 remitted.

(f) It is believed that there are no buildings or other local objects for expenditure at Siripuram.

3. *Statement No. I showing the names, &c., of the estates under management.*—Statement No. I appended to the report shows the names of the estates under management, the authority under which they were taken up, the sex of the wards and their disabilities, the period (calculated up to the fasli under report) during which the estates have been under the Court, the ages of the wards at the end of the fasli, and the dates on which such of them as are minors will attain their majority.

The *Parlakimedi* estate referred to in paragraph 1 *supra* being left out of account, there were 46 wards, of whom 43 were minors (two being females) and three were incapacitated by sex.

The *Chipurupalle* proprietrix having adopted a son under the will of her late husband, the management of the estate is now continued on behalf of the adopted boy under the sanction accorded in Government Order, No. 482, Revenue, dated 23rd July 1895. The *Kavalpara* Nethiyar's eldest son having died, the Court obtained the permission of Government to hold charge of the estate during the minority of the Nethiyar's second son—*vide* Government Order, No. 1144, Revenue, dated 20th March 1896.

4. *Season.*—The season was, on the whole, favourable for agricultural operations except in the marginally-noted estates, in the first three of which the crops were affected by excessive rains while in the other estates the rains were untimely or insufficient. In the three *Kistna* estates

and in *T. Chokkappa Mudaliar's estate* (Tanjore) the crops were, in some places, seriously damaged by the rains of the north-east monsoon, while in *Marungapuri* (Trichinopoly) the dry cultivation was, to some extent, retarded by scanty rainfall at the commencement of the fasli. In *Kakangarai* (Salem) the season was favourable only for dry crops.

5. *Holdings.*—The aggregate area of holdings of the ordinary villages in all the estates under management, excluding rented villages, was acres 606,256. The extent of holdings in the estates which were under management in both the faslis, was acres 566,382 in fasli 1305 against acres 566,890 in the previous fasli, showing a decrease of 508 acres, which is the net result of an increase of 5,325 acres in seventeen estates and of a decrease of acres 5,833 in eleven others. The variations in individual estates are small, except in the following cases:—

| Increase.    |     |     |     |     |     |     | ACS.  |
|--------------|-----|-----|-----|-----|-----|-----|-------|
| Surangi      | ... | ... | ... | ... | ... | ... | 355   |
| Sáluru       | ... | ... | ... | ... | ... | ... | 1,822 |
| Munagala     | ... | ... | ... | ... | ... | ... | 580   |
| Marungapuri  | ... | ... | ... | ... | ... | ... | 1,113 |
| Shulagiri    | ... | ... | ... | ... | ... | ... | 995   |
| Decrease.    |     |     |     |     |     |     |       |
| Dhárakóta    | ... | ... | ... | ... | ... | ... | 1,343 |
| Pedda Kimedi | ... | ... | ... | ... | ... | ... | 3,078 |
| Palayavanam  | ... | ... | ... | ... | ... | ... | 708   |

The variations in *Surangi*, *Dhárakóta* and *Pedda Kimedi* are not real, being due merely to changes in the tenure of certain villages from "ryotwari" to "rented" and *vice versa*. The increase in *Sáluru* was due to the inclusion this year of the area of certain villages which had formerly been under dispute. In *Munagala* the increase was due to the cultivation of certain lands left waste in the previous fasli, while in *Marungapuri* it was due, partly to that cause and partly to the excess brought out by the survey. The transfer of certain villages of the *Palayavanam* estate on mortgage with possession to the holders of certain decrees, accounts for the decrease in that estate. In *Shulagiri* the increase was partly due to fresh assignments and partly to change in the tenure of certain villages.

6. *Cultivation.*—The extent of actual cultivation in the year under report was acres 571,649 or 94.3 per cent. of the holdings as against acres 691,320 or 91.7 per cent. shown in the previous year's report. For want of cultivation accounts, the entire holdings have been returned as cultivated in *Dhárakóta*, *Bodogodo* and *Pedda Kimedi*

in *Ganjám* and in *Kurupám*, *Peda-Merangi*, *Sáluru* and *Kasimkóta* in *Vizagapatam*, while the extent of holdings in *Palayampatti* not being known, the area actually cultivated has been shown under both the heads. Steps have been taken to open cultivation accounts in the *Vizagapatam* estates, and it is hoped that when the Proprietary Village Service Act is shortly brought into force, it will be possible to ensure the maintenance of accurate accounts of cultivation in such estates. The entire holdings were actually cultivated in *V. U. Ayyanna's*, *Karuvakurai* and *Maruthanallur* estates. The percentage of cultivation to holdings was above 90 in eighteen estates and between 75 and 90 in thirteen others, while it was below 75 only in two estates, viz., *Mambarai* (70.0) and *Kavalpara* (70.5). There has been an appreciable improvement in *Mambarai*, the percentage having risen from 63.7 to 70.0.

The Court submits that the suggestions in paragraph 4 of Government Order, No. 180, Revenue, dated 28th April 1896, have been duly attended to in the case of *Palayavanam*. They cannot, however, be adopted in the case of *Mambarai*; the unoccupied area therein (about 2,950 acres) consists of rocky or sandy plains, which are leased out for grazing. The remainder of the estate is occupied and the tenants pay rent on their entire holdings, though they leave a portion uncultivated every year for grazing purposes.

As observed in previous reports, the extent left waste in *Kavalpara* consisted of uncultivable waste and jungle, mostly held by tenants on various tenures.

7. *Demand of Estates.*—Statement II-B appended to the report shows the gross demand of all the estates under the Court's management, the remissions granted and the net demand. The gross demand of the year amounted to Rs. 17,83,326, of which Rs. 15,007 were remitted, leaving a total net demand of Rs. 17,68,319. The following abstract compares the figures under these heads as regards the estates which were under management both in faslis 1304 and 1305:—

| Fasli. |         | Gross demand. | Remission. | Net demand. |
|--------|---------|---------------|------------|-------------|
|        |         | Rs.           | Rs.        | Rs.         |
| 1304   | .. .. . | 16,12,203     | 23,114     | 15,89,089   |
| 1305   | .. .. . | 16,39,191     | 15,007     | 16,24,184   |

Explanation for the large variations under net demand, as compared with the previous year, has been given in column 21 of statement II-B.

8. *Demand, Collection and Balance.*—Statement No. III, appended to the report, shows the demand, collection and balance of the estates under the management of the Court during the year. The arrear demand at the beginning of the fasli amounted to Rs. 9,36,733, of which Rs. 2,63,022 were collected and Rs. 1,81,556 written off, leaving at the end of the fasli a balance of Rs. 4,92,160. Deducting subsequent collections and remissions (Rs. 13,239) as also items since found to be irrecoverable, Rs. 23,069, the net recoverable balance was Rs. 4,55,852 or 48.7 per cent. of the arrear at the beginning of the fasli under report, against Rs. 7,40,407, or 32.1 per cent. of the arrear demand, as shown in the previous year's report.

In the seven estates noted in the margin, the outstanding balance on the date of the report was *nil*, while in three others, it was practically so. In four estates it was below 10 per cent., while in nine others it ranged between 10 and 25 per cent. In nine estates it was between 25 and 50. In the undermentioned twelve estates it exceeded 50 per cent:—

| Estates.                                       | Percentage. | Amount.  |

For the recovery of the small amount of Rs. 1,081 outstanding in Palayavanam, processses are said to have since been issued. The Collector has offered no explanation for the short collections in *Punnathur* which are apparently due to the unfavourable character of the season.

10. *Financial Condition of Estates under Management.*—Statement IV, appended to the report, has been re-cast with reference to paragraph 8 of Government Order, No. 180, Revenue, dated 28th April 1896.

The aggregate cash receipts of all the estates under management during the year amounted to Rs. 29,60,959. Adding to this, Rs. 8,08,934 (the cash balance at the beginning of the year), the total cash assets of the fasli amounted to Rs. 37,69,893, of which Rs. 29,13,790 (including a sum of Rs. 2,66,794 invested in Government securities and Rs. 2,37,419 devoted to payment of debts) were expended during the year. The cash balance at the close of the fasli was thus Rs. 8,56,103. Adding to this, the Government Securities of the nominal value of Rs. 45,76,900 held on behalf of certain estates and the value (Rs. 68,638) of grain on hand at the close of the year, the total balance to the credit of the estates on the 30th June 1896 was Rs. 55,01,641 showing a decrease of Rs. 3,15,797 as compared with the opening balance of the year. Excluding the unusual items noted below, the receipts and charges of the year amounted to Rs. 21,28,837 and Rs. 24,09,577, respectively, against Rs. 32,14,419 and Rs. 26,16,661, the corresponding figures for the previous year :—

11. *Utilization of Surplus Balances and Advances to Tenants.*—Parlákimedi being left out of account, the estates under management which, on the 30th June 1896, had surplus balances exceeding Rs. 10,000 (*vide* column 13 of statement No. IV appended to the report) are shown below:—

Of the estates noted above, *Surangi, Pedda Kimedi, Saluru, Peda-Merangi, Tangelamudi, Munagala, Minakshi Aya's estate* and *Palayampatti* are all involved in debt.

while the legal position of *Belgam* as already pointed out in paragraph 8 *supra*, is peculiar. Of the other estates, *Dhārdkōta* (since handed over) is for the most part adequately supplied with irrigation under the Rushikulya canal, but miscellaneous improvements to a certain tank, costing in all Rs. 5,000, were executed during the year. In *Bodogodo*, a large irrigation scheme proposed by the Deputy Collector of Goomsur is still under the consideration of the Executive Engineer. No competent Engineer can be obtained for examining a similar project in *Kurupam*. In *Appikonda*, which is more a mercantile than a landed estate, and in *Chidikada*, the only available mode of investment for the present is the purchase of Government securities, there being no suitable opportunities for buying lands. The question of profitably utilising the surplus balance of *Kasimkota*, which was taken up during the fasli under report, will receive the Collector's attention in due course. Notwithstanding the Court's remarks in paragraph 11 of its Administration report for fasli 1304, the Collector of Gōdāvari has again failed to advert to the point in his Administration report relating to *Lakkavaram*: the Court has now called for a special report. In *Mailavaram* and *Telaprole*, the repair of irrigation works is the only course open for the present, in addition to investment in Government promissory notes. Enquiries are being made as to the investment of the surplus balances of the two small ryotwari estates in Bellary. The Collector of North Arcot promises to take steps to utilize the recently accrued surplus of *Timmajammal's estate*. In *Sithamalli*, *Maruthanthanallur*, *N. Duraiswami Aiyar's estate*, *B. Chockalingam Pillai's estate* and *Kakanagarai*, portions of the surplus were invested in Government promissory notes, pending the purchase of lands which will be effected when suitable opportunities offer. In *Marungapuri*, the survey of the estate has nearly been completed at a cost of Rs. 10,272; Rs. 11,000 will be spent on survey records and sub-division of fields. During the current fasli, Rupees 13,000 are to be spent on roads and Rs. 4,000 in sinking wells: meanwhile Government promissory notes will be purchased for a portion of the surplus. In *Sāptūr*, about Rs. 60,000 will probably be devoted to the purchase of a village in an adjoining Government taluk; the matter is now under negotiation. The remainder will be required to pay the mesne profits decreed to the plaintiff in the partition suit, now under appeal to the Privy Council. The Ettiyapuram estate in Tinnevely is very well-to-do, and the Court endeavoured during the year to purchase on behalf of its ward the whole of the Gantamanayakkanur zemindari which was put up to auction in pursuance of a decree of the High Court against the zemindar. The sale was, however, stopped by the auctioneer, in defiance of the terms of the sale notification, as soon as the decree amount had been realised, and the Court of Wards was only able to secure fifteen villages for the minor. For these, a sum of Rs. 8,50,000 was expended, and a valuable property has been added to the ward's inheritance. The balance now remaining is comparatively small. The estate does not afford much scope for irrigation and in regard to the conversion of the Tharuvai swamp—the only irrigation scheme of importance—the Chief Engineer has called for further information from the Superintending Engineer, VI Circle. The surplus in *Shulagiri* will be required to pay the debt due to Government and to meet the expenses at "Newington," Madras, where the minor is now under the tuition of the Court's European tutor. The purchase of the Sammandhikuppam mitta, sanctioned on behalf of *Elagiri*, was after all not completed, as the elder ward who had meanwhile attained his majority would not agree to the terms of the draft deed of conveyance. In *Kavalpara* about Rs. 17,000 more were spent on the construction of certain important buildings in the estate. The Collector has been requested to submit definite proposals in regard to this estate without further delay. His attention will be drawn to paragraph 11\* of the Court's Administration report for fasli 1304.

With reference to paragraph 4 of the Government of India Resolution communicated in Government Order, No. 591, Revenue, dated 13th August 1894, the Court submits that no advances appear to have been granted to tenants except in the marginally-noted ryotwari estates. Certain Collectors have not furnished information on the point. Orders have been issued to them to guard against such omissions in future.

12. *Percentage of Establishment Charges and Government Commission to Normal Receipts.*—Column 15 of statement IV appended to the report shows the percentage of establishment charges and Government commission to normal receipts, abnormal income, such as debts recovered, amounts borrowed, sale-proceeds of property and refunds of advances, &c., included in column 9 of enclosure 1 to the statement being left out of account. Taking all the estates together, the percentage was 13.3 against 11.5 in the previous year. Explanation is furnished below in regard to the under-mentioned estates in which the percentage exceeded fifteen:—

| Punnathur Kovilagam ... ..            | Malabar ... ..     | 19.4        |

As stated in previous reports, the following circumstances account for the high percentage in the case of the four estates noted in the margin. *Appikonda* is a small estate holding lands in scattered villages; all possible reductions in the establishment of *Kurupam* have already been effected. *V. U. Ayyanna's estate* is a very small property in which there is no scope for reduction: and *Sāptūr* maintains a large forest establishment to conserve its forests, which do not yield an adequate revenue at present, and the District Forest-officer has been addressed by the Collector with a view to ensure an increase of revenue or a reduction of establishment. The Collector of Vizagapatam has recently effected a re-organization of his estates establishment, which has been increased in view to the direct charge of all estates being taken in hand by the Collector himself, instead of being entrusted, as before, to Divisional officers who are often lacking in experience. The establishment charges are assessed rateably on the various estates, but the Court of Wards work in Vizagapatam is heavy, and it has been found impossible, having due regard to efficiency, to reduce the head-quarter expenditure. The high percentages in *Munagala*, *Palayampatti* and *Royakota* have not been explained. In *Palayavanam* and *T. Chokkappa Mudaliar's estate*, it was due to short receipts in the fasli in question. As regards *Karuvallakurai* and *Sithamalli* the correct percentage would be 9.3 and 12.8, respectively; for, in both the estates, the grain receipts have not been taken into account, while in *Sithamalli* the amount of "establishment charges" taken for calculating the percentage includes also the entire cost of the estate establishment in the Tanjore Collectorate provisionally debited to this estate, pending adjustment at the close of the fasli. The high percentage in *Punnathur* was due mainly to the payment of arrears of Government commission and to the entertainment of a temporary establishment to take copies of certain old accounts.

13. *Public Works.*—Enclosure A to statement No. IV shows the amounts sanctioned for, and expended on, public works in the several estates under management. The total allotment was Rs. 3,10,237, of which Rs. 1,77,386 or 57.2 per cent. was spent against Rs. 2,48,928 or 56.3 per cent. in the previous year. The expenditure is classified below:—

|                         | Fasli 1304.<br>RS. | Fasli 1305.<br>RS. |
|-------------------------|--------------------|--------------------|
| Irrigation works ... .. | 1,41,741           | 83,894             |
| Buildings ... ..        | 73,444             | 68,976             |
| Communications ... ..   | 6,226              | 8,431              |
| Total ... ..            | 2,21,411           | 1,61,301           |
| Establishment ... ..    | 27,517             | 16,085             |
| Grand Total ... ..      | 2,48,928           | 1,77,386           |

The expenditure on public works was 6.1 per cent. of the total charges of the year. If the debts repaid and amounts invested in promissory notes be excluded from the latter, the percentage rises to 7.3 against 9.5 in the previous fasli. The expenditure fell below 50 per cent. of the budget allotment in ten estates. The cases in which the amounts surrendered are sufficiently large to call for special remarks are noticed below :—

| Estate.                            | Allotment. | Expenditure. | Percentage. |
|------------------------------------|------------|--------------|-------------|
|                                    | RS.        | RS.          |             |
| N. Duraiswami Aiyar's estate .. .. | 4,225      | 706          | 16.7        |
| Marungapuri .. ..                  | 12,746     | 4,945        | 38.8        |
| Kavalpara .. ..                    | 62,539     | 16,766       | 26.8        |

The short expenditure in N. Duraiswami Aiyar's estate (since handed over) was due to the incompetency of the late manager who was finally compelled to resign his appointment. As regards Marungapuri, repairs to two irrigation works, for which a sum of Rs. 4,500 had been allotted, were not after all carried out in deference to the opinion of the Executive Engineer who thought the repairs unnecessary. The work done on the Nattam road, for which a sum of Rs. 1,500 had been proposed, was not paid for within the fasli pending scrutiny by the Local Fund Engineer. The short expenditure was also due to the non-commencement of certain irrigation works till late in the season owing to the presence of water in the tanks. In Kavalpara, work for Rs. 20,438 had been done within the fasli, but the amount was not disbursed before its close.

14. *Debts due to estates.*—Statement No. V-A appended to the report shows the debts due to the several estates under the management of the Court during the year. The total debts outstanding at the beginning of the year amounted to Rs. 6,79,853. Including those newly contracted (Rs. 16,577) or brought to account (Rs. 1,78,140), as also the interest that accrued during the year (Rs. 1,55,684), the total sum due was Rs. 10,30,254, of which Rs. 76,421 were collected and Rs. 20,580 written off, leaving a balance of Rs. 9,33,253 at the end of the year, distributed among 30 estates.

The outstanding amounts were large in the following estates :—

| Estate.                   | Amount.  |
|---------------------------|----------|
|                           | RS.      |
| Appikonda .. ..           | 24,635   |
| Kurupam .. ..             | 1,58,326 |
| Peda Merangi .. ..        | 2,14,084 |
| Kásimkóta .. ..           | 21,093   |
| Telaprole .. ..           | 66,052   |
| Munagala .. ..            | 38,568   |
| Sithamalli .. ..          | 14,965   |
| Palayampatti .. ..        | 1,01,033 |
| Ettiyápuram .. ..         | 1,20,081 |
| Thalavankottai .. ..      | 48,546   |
| Punnathur-Kovilagam .. .. | 27,355   |

Almost the whole of the amount outstanding in *Appikonda* has not yet fallen due. Nearly half the amount outstanding in *Kurupam* is due by *Peda Merangi*, another estate under the Court, and steps have already been taken to repay the debt; it is regretted that the collection of the other debts due to the estate has hitherto been neglected by the late Dewan of Jeypur and the estate Manager. These officers having been since replaced, the Court hopes for better results in the next Administration report. Almost the whole of the amount outstanding in *Peda Merangi* is covered by a decree, the execution of which has been ordered to be stayed, pending decision of an appeal to the Privy Council. Enquiry will be made into the debts due to *Kásimkóta* taken under management during the fasli in question. Out of the amount outstanding in *Telaprole*, Rs. 32,025, which are covered by bonds, have not yet fallen due according to the terms contained therein; Rs. 13,290 are covered by execution proceedings; a decree has been obtained from the local High Court for a sum of Rs. 17,094 and will shortly be executed; and steps are being taken to collect the remainder. The greater portion (Rs. 37,826) of the amount appearing against *Munagala* is due by one Mallam Papanna of the Nizam's Dominions and the matter is now under litigation before the Nizam's Courts. The debts in the *Sithamalli* estate are well secured and

the Court has, in the interests of its ward, allowed the continuance of the present arrangements. Almost the whole of the amount in *Palayampatti* is due by the Rajah of Ramnad and his brother. In *Ettiyápuram*, Rs. 35,615 are covered by mortgage bonds with possession; while the instalments fixed in the case of Rs. 35,530 have not yet fallen due; Rs. 19,942 are covered by decrees which are being executed, and debts amounting to Rs. 17,520 which have been secured by hypothecation bonds, have been allowed to be outstanding as they carry a high rate of interest which is being punctually paid: the remainder will be collected in due course. In *Thalavankottai*, Rs. 24,821 are due by the Mittahdar of Panayur, who is negotiating a sale of his mitta in order to repay the amount; a sum of Rs. 23,562 will be recovered in three half-yearly instalments according to the terms of the decree of the Tinnevely Sub-Court. As stated in the previous report, almost the whole of the amount shown against *Punnathur* is due by the female branch of the estate to the *stunoms* belonging to the male branch.

15. *Debts due by estates.*—Statement No. V-B shows the debts due by the several estates under management. The total amount due at the beginning of the fasli was Rs. 16,77,209. Adding thereto the debts contracted (Rs. 1,22,996), those newly brought to account (Rs. 66,557) and the interest that accrued during the year (Rupees 1,77,542), the total amounted to Rs. 20,44,304, of which Rs. 3,05,665 were repaid and Rs. 9,781 struck off, leaving a balance of Rs. 17,28,853, due by 18 estates. The debts outstanding at the close of the fasli were large in the undermentioned estates :—

| Estates.                             | Amounts. |

| Palayampatti .. ..                   | 1,98,282 |
| Anavaradam Pillai's estate .. ..     | 13,991   |
| * Royakota .. ..                     | 25,917   |
| Ankusagiri .. ..                     | 19,437   |
| * Punnathur-Kovilagam .. ..          | 94,299   |

In the matter of the repayment of the amounts due by the estates marked with an asterisk, the Court has nothing to add to what was stated in paragraph 15 of the previous year's report. The loan of Rs. 1,35,000 recently taken from the Maharajah of Jeypore on behalf of the *Sálúru* estate bears interest at 6 per cent. per annum and cannot, under the terms of the bond, be repaid before A.D. 1905. Since the close of the fasli, a portion of the estate has been sold in view to the liquidation of the Bobbili Rajah's debt of Rs. 4,70,000, which bears a high rate of interest. Similar action has been ordered to be taken in the case of the late *T. Chokkappa Mudaliar's* estate also. The debt due by the *Peda Merangi* estate will be discharged as funds accrue. A consolidated loan at a lower rate of interest has recently been obtained on behalf of the *Palayampatti* estate. The greater portion (Rs. 10,430) of the debt due by *Anavaradam Pillai's* estate is covered by the mortgage of lands with possession and the estate is not financially in a position to redeem the mortgage. In *Ankusagiri* (Berikai) nearly one-half has not yet fallen due, and the question of adjusting the remainder is receiving attention.

16. *Education of wards.*—Statement No. VI appended to the report shows the educational progress of the wards and of such of their relations as were under instruction during the year. Of the 60 wards shown in the list, 54 were males and 6 females.

The marginally-noted three wards were educated at *Newington* (Madras) under the Court's European tutor (Mr. H. R. N. Ellison).

Towards the close of the fasli, the *Dhárakóta* minor returned to the district and was instructed in revenue law and accounts and details of estate management by a tutor specially appointed for the purpose: he assumed charge of his estate in October

1896, and it is encouraging to note that, in the opinion of the Collector, the late ward possesses "excellent manners and a good deal of sturdy common sense." The other two minors were again examined by Mr. Stone, shortly after the close of the fasli, and the Court is glad to state that on this occasion the Examiner was able to make a more satisfactory report of their progress. A third examination was held at the close of 1896 with satisfactory results, but this matter will be dealt with in the report for the current fasli. The *Tangellamudi* minor, who is also the only son of the present Rajah of Venkatagiri, has, at the request and expense of the Rajah, since been taken into *Newington*. The *Kásimkóta*, *Shulagiri* and *Thalavankottai* wards, who were not making satisfactory progress in the district, have since joined the *Newington* establishment. There were thus six minors at *Newington* at the end of the year.

Mr. Ellison's term of office expired in August 1896, and the Court then secured the services of Mr. Cameron Morrison for the post of tutor and guardian to the minors at *Newington*. Mr. Morrison is a graduate of the St. Andrews University, where he gained first-class honours in the two Departments of Classics and Mental Philosophy. Mr. Morrison afterwards won the Bruce scholarship at Edinburgh, and subsequently graduated in Law at that University. He gained the Vans Dunlop scholarship in Political Economy and Mercantile Law. Mr. Morrison had afterwards taken up the post of Lecturer at the Glasgow University and had also had considerable experience in the work of tuition in other ways, having successfully coached three candidates for the Indian Civil Service. Mr. Morrison was strongly recommended to the Court by the Hon'ble and Rev. Dr. Miller, who was at that time in Scotland, and the Court gladly availed itself of the opportunity, afforded by Mr. Ellison's departure, to replace him at *Newington* by a tutor carrying such exceptionally high testimonials. The number of boys entrusted to his charge is now larger than in any previous year. The progress which is already apparent in their education is a detail of the current fasli year and will be dealt with in the next annual report. The *Bodogodo*, *Surangi* and *Pedda Kimedi* minors are at *Chatrapur* under their special tutor, Mr. B. C. Chatterji of the Madras Educational Department. The *Bodogodo* boy, who is intelligent and attentive, is said to have made good progress for his age, while the *Surangi* minor did fairly well in spite of his illness. The *Pedda Kimedi* ward was slowly improving under the new tutor. The *Surangi* ward was recently at Madras under medical treatment for about three months and arrangements were made to instruct him there in revenue matters. The *eldest ward of Appikonda* continued to learn his mercantile business in the district. The *Kurupam* minor made very good progress, as usual, under Mr. Moss. The *Saluru* minor joined the Lutheran Mission School at his native place: the previous consent of his mother was obtained for this arrangement, which the Collector ascertained to be the best that could be made, considering the impoverished condition of the estate. The *elder Elagiri* ward, who was under the Court's European tutor at Madras, returned to the district in July 1895, and was instructed in revenue law and accounts as also in the details of estate management. The *elder ward of N. Duraiswami Aiyar's* estate, appeared for the M.A. Degree (in English) and the F.I. examination of the local University, but failed in both. He was instructed in revenue law and the details of estate management. The minor also attended the Survey office at Madras and with the permission of the Superintendent, Revenue Survey, received instruction in survey matters.

The wards of *Telaprole*, *Thumba*, *Palayampatti* and *Ankusagiri* were studying under private tutors. Of the rest, 9 were reading in Upper Secondary and 26 in Lower Secondary or Primary classes. The progress and behaviour of all these boys are said to have been satisfactory except in the case of the *Peda Merangi*, *Lakkavaram*, *Mailavaram*, *Edamanal* and *B. Chockalingam Pillai's* estate boys. The *Lakkavaram* ward, who thrice failed in the Matriculation examination, and who is to take charge of his estate in April 1897, has been withdrawn from school and is now being instructed in revenue matters. The progress of the *Mailavaram* boys was not satisfactory, partly owing to illness and partly to irregular attendance, due apparently to disputes in the family. The estate will soon pass out of the Court's charge. In regard to the other minors named above, the Court notes that the matter has attracted the attention of the Collectors concerned and that they have taken the necessary steps to effect an improvement.

As stated above, the marginally-noted minors received instruction in revenue law and accounts and were taught the details of the management of their estates.

Of the female wards, *Timmajammal* continued to live with her husband at *Tarikeri*, and her education has practically come to an end. She has lately given birth to a daughter. The daughter of the late *Ayyanna* passed her annual examination creditably and now continues her studies in the Board Primary School, *Hospet*. The other female wards (the sisters of the *Telaprole* and *Thumba* minors and the daughter of the late *Minakshi Ayal*) made good progress under their respective tutors.

17. *Suits*.—The "printed records" relating to the *Chidikada* Privy Council appeal were recently submitted to Government in view to steps being taken to oppose it on behalf of the Court's ward. Similar papers in regard to the *Saptur* Privy Council appeal are under preparation. The records of the *Ungarada* Privy Council appeal were forwarded to the late *Siripuram* ward for the necessary action. As stated in the previous report, the *Boyyanagudem* estate has been decreed in favour of the *Lakkavaram* ward and possession thereof has been obtained. The appeal filed in the High Court in regard to the *Tangellamudi* estate is still pending, but the suit properties have been ordered to be handed over to the plaintiff (*Sri Raja Papamma Row*) on her furnishing security for mesne profits. As stated in paragraph 1 *supra* the *Pithápúram* appeal has, since the close of the fasli, been decided in favour of the Court's ward who has been declared to be the owner of the estates, left by the late *Raja*, on the strength of his wills. The *Belgam zemindari's* appeal to the Privy Council is still pending; the High Court has since confirmed the District Court's decree, which declared the late zemindar's will to be not genuine, and the adoption made under it to be invalid in consequence; and the Government has recently re-committed the *Rani* to the care of the Court of Wards. The suit for the other half of *Belgam* (Original Suit No. 38 of 1894) and the two *Munagala* adoption suits referred to in the previous report are still pending. An appeal has been filed in the High Court by *S. Gopal Raju*, whose claim for the *Surangi* estate was dismissed by the District Court of *Ganjám*.

18. *Religious and Charitable Institutions attached to Estates*.—A statement (No. VII) showing the demand, collection and balance and the financial condition of the several religious and charitable institutions attached to estates under management is appended to the report.

19. *General Remarks*.—To facilitate the introduction of the survey areas, it has been found necessary to make a fieldwar (cadastral) survey of the *Telaprole* estate and the question in regard to this estate and to *Saptur* in the *Madura* district is now before the Court of Wards. A set of rules for the working of the *Saptur* forests is now under the consideration of Government. The forests of the *Shulagiri* estate are reported to be in good condition. The necessary orders appear to have been issued to the Manager for conserving the forests of the *Royakota* estate. In *Marungápur*, *Ettiypuram*, *Shulagiri*, *Elagiri*, *Royakota* and *Ankusagiri* (*Berikai*) the village accounts are reported to have been maintained according to the manual with slight modifications to suit local requirements. No very marked improvement can, however, be looked for in the matter of these accounts until the introduction into the various estates of the *Proprietary Estates Village Service Act* (II of 1894). The village servants will then be brought under proper control.

G. O. N. 240 of 8th April 1897.

With the Proceedings read above,  
the Court of Wards submits its report  
on the administration of the Estates  
under its charge during fasli 1305 (1895-  
96). The report was received in the  
Govt. office on the 10th of February  
or 8 days earlier than the previous —  
year's report; it was, however, 10 days  
overdue.

2. Number of Estates under management

The year opened with 54 estates  
under the management of the Court. 8 of  
these <sup>kind out of</sup> ~~set~~ the Court's hands during the  
<sup>which</sup> year which one estate viz., Kasimkota  
in the Vizagapatam district was newly  
taken up. The number of estates under  
management at the end of the <sup>year</sup> was thus  
47. Excluding the estate of the old, in-  
estate zemindar of Parlasimedi whose  
moveable property alone was in charge  
of the Court, there were 46 estates be-

longing to as many wards, of whom 43 (two being females) were incapacitated by reason of minority and the remaining 3 by sex alone.

### 3. Condition of the Surrendered estates.

The statement at page 3 of the report shows the condition of the surrendered estates at the time of their restoration, as compared with their condition at the time they <sup>were</sup> taken under the Court's control. There was a large fall in the current demand of three of the estates, viz., Sripuram, Pulicherla and

Kadakavinayakanallur. The decrease in the

(from Rs 22,203 to Rs 13,630) was mainly due to fluctuation in the value of grain while the decrease in

Rs 13,115) was due to the sale of a por-

tion of the estate in satisfaction of debts due by it. In Sripuram, both the

causes above-mentioned contributed to the

diminution in the current demand from

Rs 81,926 to Rs 68,862. There was also a

fall in the current demand of Meduru

from Rs 17,438 to Rs 1,01,280 but this

was only nominal, being as the water-tax

due to Govt. which was included in the

former is excluded from the latter

amount. The condition of the Meduru estate which was under the control of the Court for a period of close upon 8 years appears to have greatly improved under the Court's management. During the period, the balance to its credit rose from Rs 1,67,052 to Rs 6,05,100 while a sum of Rs 46,841 was expended <sup>on</sup> ~~in~~ irrigation works and other improvements and a further sum of Rs 5590 was paid ~~off~~ in liquidation of debts. The financial condition of the Trichinopoly and Salem estates which were restored to their proprietors during the year, was highly satisfactory and ~~reflects credit on~~ <sup>the</sup> ~~the officers who had charge of their~~ ~~administration.~~

### 4. Holdings & Cultivation.

Including Palayampatti which first came under the management of the Court in the course of fasli 1304, the extent of holdings in the estates which were under management in <sup>the</sup> ~~the~~ both faslis, was acres 5,84,800 in fasli 1305 against acres 5,85,093

the previous fasli. There was thus a decrease of acres 293 ~~but this only nominal~~ *which was the net result of an increase of 5540 acres in 18 states and a decrease of 5,883 acres in 11 others.*

~~the due to changes in the tenure of cer-~~  
~~the other hand, there was an increase~~

the other hand, there was an increase

the extent actually cultivated during the

bar and the percentage of cultivation to

holdings also rose from 93.4 in fasli 1304

to 94.1 in the year under review. The Govt.

notes with satisfaction that the suggestions

for extension of cultivation contained in para

G. O. No 180 dated 28-4-96 were given

effect to in Palayavanam & that there was

marked improvement in <sup>in</sup> Nambarai the per-

centage of cultivation to holdings in that

estate having risen from 63.7 to 70.0.

##### 5. Demand of Estates.

The gross demand of all the estates

under management during the year aggregated

Rs17,83,326 of which Rs15,007 were remitted

leaving a net demand of Rs17,68,319. In the es-

tates which were under management in both

the faslis, 1304 & 1305, the net demand rose

from <sup>16,41,297</sup> ~~Rs15,80,000~~ to <sup>16,82,402</sup> ~~Rs16,84,184~~.

##### 6. Demand, collection & balance arrears.

the improvement in the adjustment of arrear balances noticed in para.6 of the previous year's review, continued during the year under report also.

Out of an arrear demand of Rs9,36,738

at the beginning of the fasli, —

Rs2,63,022 were collected and Rs1,81,516

were written off during the year,

leaving a balance of Rs4,92,160 at the

end of the fasli. Deducting subsequent

collections and remissions amounting

to Rs13,239 and also a sum of Rs23,069

since found to be irrecoverable, the

not recoverable balance at the date

of the report was Rs4,55,852. Nearly <sup>three-fourths</sup> ~~half~~

of this amount was outstanding in the <sup>three</sup> ~~two~~

undermentioned estates alone:-

*The slack collections*

<sup>was due</sup> ~~collected~~ to the remissness of

the manager and his subordinates who

have since been replaced by better

men. The bulk of the balance outstanding

in Telaprole was awaiting recovery

through processes of the Civil

the Court. In view to the speedy realization of the arrears in this estate instructions have been issued for the freer resort to the summary processes prescribed by the Rent Recovery Act.

The current collections were equally satisfactory. Out of a total demand amounting to Rs 17,63,442, Rs 14,83,319

were collected and Rs 268 written off during the year, leaving, <sup>a balance</sup> of Rs 2,79,855 outstanding at the end of the fasli. Deduct-

ing from the amount last mentioned subsequent collections and remissions aggregating Rs 1,11,138, the net recoverable

balance at the date of the report was Rs 1,68,317 or 9.5 p.c. of the total demand against 12 p.c. in the previous year.

#### 7. Financial condition of the Estates.

The total cash receipts and charges of the year amounted to Rs 29,60,919 and Rs 29,13,790 respectively. Omitting unusual

items such as "debts recovered", "sale proceeds of property", "debts repaid" and

"amount invested in Govt. <sup>Securities</sup> ~~properties~~", the

net receipts and charges were Rs 21,28,837

and Rs 24,09,777 respectively.

In regard to the heavy balance in Ettayapuram, the collector reports that all possible steps are being taken to collect the recoverable portion of it. He Govt. hopes that by the end of the current fasli year there will be a perceptible reduction in the outstanding balance.

#### 8. Establishment charges & Govt. commission.

The proportion of establishment charges and Govt. commission to normal receipts was 13.3 p.c. during the year under review against 10.0 p.c. and 11.5 p.c. in faslis 1303 and 1304 respectively. The increase under this head is <sup>a</sup> matter for regret and the Govt. trusts that the Court will use its best endeavours to minimise the expenditure on account of establishment. In 13 estates, the proportion exceeded 15 p.c. owing to the special causes explained in para 12 of the report.

#### 9. Expenditure on Public Works.

The total expenditure on public works aggregated Rs 1,77,386 or 6.1 p.c. of the total charges of the year against 6.9 p.c. in the preceding fasli. If unusual items of expenditure such as "debts repaid" and "amount invested in Govt. projects" be excluded, the outlay on public works was 7.3 p.c. of the net charges against 9.5 p.c. in fasli 1304. The amount expended on irrigation works also fell from Rs 1,41,741 in fasli 1304 to

# REPORT ON THE ADMINISTRATION

OF

## ESTATES UNDER THE COURT OF WARDS IN THE MADRAS PRESIDENCY

FOR FASLI 1305 (1895-96).

| Number of Estates under management. |     |                               | Including <i>Parlakimedi</i> , there were 54 estates under management on the 1st July 1895. Of these, the eight estates noted on the margin left the Court's hands during the year in question, while the <i>Kasimkota</i> estate in the Vizagapatam district was newly taken up. There were thus 47 estates under management at the end of the year.                                                                                                                                                                                                                                                             |

\* Government Order, No. 1189, Revenue, dated 24th March 1896.

Out of the eight estates which left the Court's charge in the fasli under report, the owners of the marginally-noted five estates came of age during the year. The *Meduru* estate was handed over to the Receiver appointed by the District Court of Kistna in connection with a suit filed by the late ward's natural mother, claiming to succeed to the property in preference to his adoptive mother on the ground that the adoption was invalid. The *Ventrappagada* and *Erumaipatti* estates were handed over to the persons found by the Civil Courts to be entitled thereto.

The Court considered again during the year under report, the important question of the legality of retaining control over the whole or a portion of an estate, which is the co-parcenary property of an undivided Hindu family, after the eldest member of that family has attained his majority. This question had, in the year 1874, been submitted by the Court to the Government Pleader for opinion, and acting upon his advice such estates had, in some instances, been retained in the Court's charge in the interests of the younger members of the family, the property being handed over when the said

younger member or members attained majority. The usual practice was, however, to hand over the entire estate to the eldest ward, as soon as he ceased to be a minor, and the advice of counsel consulted in 1896 was to the effect that the Court is bound by law to adopt this course in all cases.

In this view, the Court at once decided upon the restoration of the Elagiri and Mailavaram estates to the eldest owners who had already attained their majority. But an injunction of a Civil Court restraining the Collector from so handing over the Mailavaram estate was obtained by the next friends of the younger members of that family in connection with a suit for partition: the question of appointing a Receiver is now pending before the Civil Courts of Kistna. The Collector, however, reports that the partition of the estate has been settled amicably and will soon be effected. The *Elagiri* estate was handed over to the elder ward after the close of the fasli under report.

The two sons of the Parlákimedi ward have recently presented an application for possession of their share of the balance, which the ward inherited from his father: and the matter is now under the Court's consideration.

As in the previous year, figures regarding *Parlákimedi* are given only in statements I and IV, while *Vádimittá*, which continued in charge of the lessees till the close of the year under report, appears only in statements I and VI. No report was received from the Collector of Górávari in respect of the agency villages of the Pithápuram estate, the non-agency villages (forming the main estate) having been handed over on the 1st of October 1895 to the late Raja's adopted son, who had obtained a decree in the District Court in his favour in the succession suit. The High Court has since reversed on appeal the said decision of the District Court and has ordered that the entire estate shall at once be handed back to the minor son of the late Raja. The *Pithápuram* estate has thus come again under the control of the Court of Wards.

(c) The decrease is partly due to sale of certain villages for liquidation of debts and partly to fluctuation in the value of grain.

(d) The decrease is mainly due to the exclusion of water-tax, the collection of which was lately undertaken by the Government itself.

(e) The decrease was due to the sale of a portion of the estate in satisfaction of decrees of the Civil Court.

(f) Excluding Rs. 78,671 remitted.

(g) It is believed that there are no buildings or other local objects for expenditure at Siripuram.

3. *Statement No. I showing the names, &c., of the estates under management.*—Statement No. I appended to the report shows the names of the estates under management, the authority under which they were taken up, the sex of the wards and their disabilities, the period (calculated up to the fasli under report) during which the estates have been under the Court, the ages of the wards at the end of the fasli, and the dates on which such of them as are minors will attain their majority.

The *Parlakimédi* estate referred to in paragraph 1 *supra* being left out of account, there were 46 wards, of whom 43 were minors (two being females) and three were incapacitated by sex.

The *Chipurupalle* proprietrix having adopted a son under the will of her late husband, the management of the estate is now continued on behalf of the adopted boy under the sanction accorded in Government Order, No. 482, Revenue, dated 23rd July 1895. The *Kavalpara* Nethiyar's eldest son having died, the Court obtained the permission of Government to hold charge of the estate during the minority of the Nethiyar's second son—*vide* Government Order, No. 1144, Revenue, dated 20th March 1896.

4. *Season.*—The season was, on the whole, favourable for agricultural operations except in the marginally-noted estates, in the first three of which the crops were affected by excessive rains while in the other estates the rains were untimely or insufficient. In the three *Kistna* estates and in *T. Chokkappa Mudaliar's estate* (Tanjore) the crops were, in some places, seriously damaged by the rains of the north-east monsoon, while in *Marungapuri* (Trichinopoly) the dry cultivation was, to some extent, retarded by scanty rainfall at the commencement of the fasli. In *Kakangarai* (Salem) the season was favourable only for dry crops.

5. *Holdings.*—The aggregate area of holdings of the ordinary villages in all the estates under management, excluding rented villages, was acres 606,256. The extent of holdings in the estates which were under management in both the faslis, was acres 566,382 in fasli 1305 against acres 566,840 in the previous fasli, showing a decrease of 508 acres, which is the net result of an increase of 5,325 acres in seventeen estates and of a decrease of acres 5,833 in eleven others. The variations in individual estates are small, except in the following cases:—

| Increase.    |     |     |     |     |     |     |     | ACS.  |
|--------------|-----|-----|-----|-----|-----|-----|-----|-------|
| Surangi      | ... | ... | ... | ... | ... | ... | ... | 355   |
| Sáluru       | ... | ... | ... | ... | ... | ... | ... | 1,822 |
| Munagala     | ... | ... | ... | ... | ... | ... | ... | 580   |
| Marungapuri  | ... | ... | ... | ... | ... | ... | ... | 1,113 |
| Shulagiri    | ... | ... | ... | ... | ... | ... | ... | 995   |
| Decrease.    |     |     |     |     |     |     |     |       |
| Dhárakóta    | ... | ... | ... | ... | ... | ... | ... | 1,343 |
| Pedda Kimedi | ... | ... | ... | ... | ... | ... | ... | 3,078 |
| Palayavanam  | ... | ... | ... | ... | ... | ... | ... | 708   |

The variations in *Surangi*, *Dhárakóta* and *Pedda Kimedi* are not real, being due merely to changes in the tenure of certain villages from "ryotwari" to "rented" and *vice versa*. The increase in *Sáluru* was due to the inclusion this year of the area of certain villages which had formerly been under dispute. In *Munagala* the increase was due to the cultivation of certain lands left waste in the previous fasli, while in *Marungapuri* it was due, partly to that cause and partly to the excess brought out by the survey. The transfer of certain villages of the *Palayavanam* estate on mortgage with possession to the holders of certain decrees, accounts for the decrease in that estate. In *Shulagiri* the increase was partly due to fresh assignments and partly to change in the tenure of certain villages.

6. *Cultivation.*—The extent of actual cultivation in the year under report was acres 571,649 or 94.3 per cent. of the holdings as against acres 691,320 or 91.7 per cent. shown in the previous year's report. For want of cultivation accounts, the entire holdings have been returned as cultivated in *Dhárakóta*, *Bodogodo* and *Pedda Kimedi*

in *Ganjám* and in *Kurupám*, *Peda-Merangi*, *Sáhiru* and *Kasimkóta* in *Vizagapatam*, while the extent of holdings in *Palayampatti* not being known, the area actually cultivated has been shown under both the heads. Steps have been taken to open cultivation accounts in the *Vizagapatam* estates, and it is hoped that when the Proprietary Village Service Act is shortly brought into force, it will be possible to ensure the maintenance of accurate accounts of cultivation in such estates. The entire holdings were actually cultivated in *V. U. Ayyanna's*, *Karuvalakarai* and *Maruthanthanallur* estates. The percentage of cultivation to holdings was above 90 in eighteen estates and between 75 and 90 in thirteen others, while it was below 75 only in two estates, viz., *Mambarai* (70.0) and *Kavalpara* (70.5). There has been an appreciable improvement in *Mambarai*, the percentage having risen from 63.7 to 70.0.

The Court submits that the suggestions in paragraph 4 of Government Order, No. 180, Revenue, dated 28th April 1896, have been duly attended to in the case of *Palayavanam*. They cannot, however, be adopted in the case of *Mambarai*; the unoccupied area therein (about 2,950 acres) consists of rocky or sandy plains, which are leased out for grazing. The remainder of the estate is occupied and the tenants pay rent on their entire holdings, though they leave a portion uncultivated every year for grazing purposes.

As observed in previous reports, the extent left waste in *Kavalpara* consisted of uncultivable waste and jungle, mostly held by tenants on various tenures.

7. *Demand of Estates.*—Statement II-B appended to the report shows the gross demand of all the estates under the Court's management, the remissions granted and the net demand. The gross demand of the year amounted to Rs. 17,83,326, of which Rs. 15,007 were remitted, leaving a total net demand of Rs. 17,68,319. The following abstract compares the figures under these heads as regards the estates which were under management both in faslis 1304 and 1305:—

| Fasli. | Gross demand. | Remission. | Net demand. |
|--------|---------------|------------|-------------|
|        | RS.           | RS.        | RS.         |
| 1304   | 16,12,203     | 23,114     | 15,89,089   |
| 1305   | 16,39,191     | 15,007     | 16,24,184   |

Explanation for the large variations under net demand, as compared with the previous year, has been given in column 21 of statement II-B.

8. *Demand, Collection and Balance.*—Statement No. III, appended to the report, shows the demand, collection and balance of the estates under the management of the Court during the year. The arrear demand at the beginning of the fasli amounted to Rs. 9,86,738, of which Rs. 2,63,022 were collected and Rs. 1,81,556 written off, leaving at the end of the fasli a balance of Rs. 4,92,160. Deducting subsequent collections and remissions (Rs. 13,239) as also items since found to be irrecoverable, Rs. 23,069, the net recoverable balance was Rs. 4,55,852 or 48.7 per cent. of the arrear at the beginning of the fasli under report, against Rs. 7,40,407, or 32.1 per cent. of the arrear demand, as shown in the previous year's report.

In the seven estates noted in the margin, the outstanding balance on the date of the report was nil, while in three others, it was practically so. In four estates it was below 10 per cent., while in nine others it ranged between 10 and 25 per cent. In nine estates it was between 25 and 50. In the undermentioned twelve estates it exceeded 50 per cent:—

| Estate.                                        | Percentage. | Amount.  |
|------------------------------------------------|-------------|----------|

| Kasimkóta                                      | 82.3        | 19,064   |
| Telaprole (Kistna)                             | 78.2        | 1,66,993 |
| V. U. Ayyanna's estate (Bellary)               | 100.0       | 37       |
| Karuvalakarai                                  | 80.8        | 231      |
| Maruthanthanallur (Tanjore)                    | 59.8        | 3,526    |
| T. Chokkappa Mudaliar's estate                 | 64.4        | 4,647    |
| B. Chockalingam Pillai's estate (Trichinopoly) | 71.1        | 15,105   |
| Elagiri (Salem)                                | 57.9        | 464      |
| Punnathur Kovilagam (Malabar)                  | 67.5        | 13,688   |

9. *Current collections.*—The total current demand of the year amounted to Rupees 17,63,442, of which Rs. 14,83,319 were collected and Rs. 268 written off, leaving a balance of Rs. 2,79,855 at the end of the fasli. Subsequent collections and remissions, amounting together to Rs. 1,11,538, being deducted, the net recoverable balance on the dates of the Collector's reports was Rs. 1,68,317 or 9·5 per cent. of the total current demand, against 12, the corresponding percentage for the preceding year. The whole of the current demand was collected in the *Chidikada, Agali Basappa's, Timmaji Ammal's* and *Karwalakarai estates*. In fifteen estates the net balance was below 5 per cent., while in nineteen others, it ranged between 5 and 20 per cent. and in four between 20 and 35. In the undermentioned two estates it was above 35 per cent. :—

| Estate.                    | Percentage. | Amount. |
|----------------------------|-------------|---------|

No. 180, Revenue, dated 28th April 1896.

The aggregate cash receipts of all the estates under management during the year amounted to Rs. 29,60,959. Adding to this, Rs. 8,08,934 (the cash balance at the beginning of the year), the total cash assets of the fasli amounted to Rs. 37,69,893, of which Rs. 29,13,790 (including a sum of Rs. 2,66,794 invested in Government securities and Rs. 2,37,419 devoted to payment of debts) were expended during the year. The cash balance at the close of the fasli was thus Rs. 8,56,103. Adding to this, the Government Securities of the nominal value of Rs. 45,76,900 held on behalf of certain estates and the value (Rs. 68,638) of grain on hand at the close of the year, the total balance to the credit of the estates on the 30th June 1896 was Rs. 55,01,641 showing a decrease of Rs. 3,15,797 as compared with the opening balance of the year. Excluding the unusual items noted below, the receipts and charges of the year amounted to Rs. 21,28,837 and Rs. 24,09,577, respectively, against Rs. 32,14,419 and Rs. 26,16,661, the corresponding figures for the previous year :—

11. *Utilization of Surplus Balances and Advances to Tenants.*—Parlakimedi being left out of account, the estates under management which, on the 30th June 1896, had surplus balances exceeding Rs. 10,000 (*vide* column 13 of statement No. IV appended to the report) are shown below:—

Of the estates noted above, *Surangi, Pedda Kimedi, Saluru, Peda-Merangi, Tangelamudi, Munagala, Minakshi Ayal's estate* and *Palayampatti* are all involved in debts

while the legal position of *Belgam* as already pointed out in paragraph 8 *supra*, is peculiar. Of the other estates, *Dhārākōta* (since handed over) is for the most part adequately supplied with irrigation under the Rushikulya canal, but miscellaneous improvements to a certain tank, costing in all Rs. 5,000, were executed during the year. In *Bodogodo*, a large irrigation scheme proposed by the Deputy Collector of Goomsur is still under the consideration of the Executive Engineer. No competent Engineer can be obtained for examining a similar project in *Kurupam*. In *Appikonda*, which is more a mercantile than a landed estate, and in *Chidikada*, the only available mode of investment for the present is the purchase of Government securities, there being no suitable opportunities for buying lands. The question of profitably utilising the surplus balance of *Kasimkota*, which was taken up during the fasli under report, will receive the Collector's attention in due course. Notwithstanding the Court's remarks in paragraph 11 of its Administration report for fasli 1304, the Collector of Gódvāri has again failed to advert to the point in his Administration report relating to *Lakkavaram*: the Court has now called for a special report. In *Mailavaram* and *Telaprole*, the repair of irrigation works is the only course open for the present, in addition to investment in Government promissory notes. Enquiries are being made as to the investment of the surplus balances of the two small ryotwari estates in Bellary. The Collector of North Arcot promises to take steps to utilize the recently accrued surplus of *Timmajammal's estate*. In *Sithamalli*, *Maruthanthanallur*, *N. Duraiswami Aiyar's estate*, *B. Chockalingam Pillai's estate* and *Kakangarai*, portions of the surplus were invested in Government promissory notes, pending the purchase of lands which will be effected when suitable opportunities offer. In *Marungapuri*, the survey of the estate has nearly been completed at a cost of Rs. 10,272; Rs. 11,000 will be spent on survey records and sub-division of fields. During the current fasli, Rupees 13,000 are to be spent on roads and Rs. 4,000 in sinking wells: meanwhile Government promissory notes will be purchased for a portion of the surplus. In *Sáptúr*, about Rs. 60,000 will probably be devoted to the purchase of a village in an adjoining Government taluk; the matter is now under negotiation. The remainder will be required to pay the mesne profits decreed to the plaintiff in the partition suit, now under appeal to the Privy Council. The *Ettiapuram* estate in Tinnevely is very well-to-do, and the Court endeavoured during the year to purchase on behalf of its ward the whole of the Gantamanayakkanur zemindari which was put up to auction in pursuance of a decree of the High Court against the zemindar. The sale was, however, stopped by the auctioneer, in defiance of the terms of the sale notification, as soon as the decree amount had been realised, and the Court of Wards was only able to secure fifteen villages for the minor. For these, a sum of Rs. 8,50,000 was expended, and a valuable property has been added to the ward's inheritance. The balance now remaining is comparatively small. The estate does not afford much scope for irrigation and in regard to the conversion of the Tharuvai swamp—the only irrigation scheme of importance—the Chief Engineer has called for further information from the Superintending Engineer, VI Circle. The surplus in *Shulagiri* will be required to pay the debt due to Government and to meet the expenses at "Newington," Madras, where the minor is now under the tuition of the Court's European tutor. The purchase of the Sammandhikuppam mitta, sanctioned on behalf of *Elagiri*, was after all not completed, as the elder ward who had meanwhile attained his majority would not agree to the terms of the draft deed of conveyance. In *Kavalpara* about Rs. 17,000 more were spent on the construction of certain important buildings in the estate. The Collector has been requested to submit definite proposals in regard to this estate without further delay. His attention will be drawn to paragraph 11\* of the Court's Administration report for fasli 1304.

With reference to paragraph 4 of the Government of India Resolution communicated in Government Order, No. 591, Revenue, dated 13th August 1894, the Court submits that no advances appear to have been granted to tenants except in the marginally-noted ryotwari estates. Certain Collectors have not furnished information on the point. Orders have been issued to them to guard against such omissions in future.

12. *Percentage of Establishment Charges and Government Commission to Normal Receipts.*—Column 15 of statement IV appended to the report shows the percentage of establishment charges and Government commission to normal receipts, abnormal income, such as debts recovered, amounts borrowed, sale-proceeds of property and refunds of advances, &c., included in column 9 of enclosure 1 to the statement being left out of account. Taking all the estates together, the percentage was 13·3 against 11·5 in the previous year. Explanation is furnished below in regard to the under-mentioned estates in which the percentage exceeded fifteen:—

| Estate.                               | District.          | Percentage. |
|---------------------------------------|--------------------|-------------|

| Sithamalli ... ..                     | Do. ... ..         | 34·4        |
| T. Chokkappa Mudaliar's estate ... .. | Do. ... ..         | 20·4        |
| Sáptúr ... ..                         | Madura ... ..      | 19·4        |
| Palayampatti ... ..                   | Do. ... ..         | 19·5        |
| Royakota ... ..                       | Salem ... ..       | 17·5        |
| Punnathur Kovilagam ... ..            | Malabar ... ..     | 19·4        |

As stated in previous reports, the following circumstances account for the high percentage in the case of the four estates noted in the margin. *Appikonda* is a small estate holding lands in scattered villages; all possible reductions in the establishment of *Kurupam* have already been effected. *V. U. Ayyanna's estate* is a very small property in which there is no scope for reduction: and *Sáptúr* maintains a large forest establishment to conserve its forests, which do not yield an adequate revenue at present, and the District Forest-officer has been addressed by the Collector with a view to ensure an increase of revenue or a reduction of establishment. The Collector of Vizagapatam has recently effected a re-organization of his estates establishment, which has been increased in view to the direct charge of all estates being taken in hand by the Collector himself, instead of being entrusted, as before, to Divisional officers who are often lacking in experience. The establishment charges are assessed rateably on the various estates, but the Court of Wards work in Vizagapatam is heavy, and it has been found impossible, having due regard to efficiency, to reduce the head-quarter expenditure. The high percentages in *Munagala*, *Palayampatti* and *Royakota* have not been explained. In *Thumba*, *Palayavanam* and *T. Chokkappa Mudaliar's estate*, it was due to short receipts in the fasli in question. As regards *Karuvakalai* and *Sithamalli* the correct percentage would be 9·3 and 12·8, respectively; for, in both the estates, the grain receipts have not been taken into account, while in *Sithamalli* the amount of "establishment charges" taken for calculating the percentage includes also the entire cost of the estate establishment in the Tanjore Collectorate provisionally debited to this estate, pending adjustment at the close of the fasli. The high percentage in *Punnathur* was due mainly to the payment of arrears of Government commission and to the entertainment of a temporary establishment to take copies of certain old accounts.

13. *Public Works.*—Enclosure A to statement No. IV shows the amounts sanctioned for, and expended on, public works in the several estates under management. The total allotment was Rs. 3,10,287, of which Rs. 1,77,386 or 57·2 per cent. was spent against Rs. 2,48,928 or 56·3 per cent. in the previous year. The expenditure is classified below:—

|                         | Fasli 1304.        | Fasli 1305. |
|-------------------------|--------------------|-------------|
|                         | RS.                | RS.         |
| Irrigation works ... .. | 1,41,741           | 83,894      |
| Buildings ... ..        | 73,444             | 68,976      |
| Communications ... ..   | 6,226              | 8,431       |
|                         | Total ... ..       | 2,21,411    |
|                         |                    | 27,517      |
| Establishment ... ..    |                    | 1,61,301    |
|                         | Grand Total ... .. | 2,48,928    |
|                         |                    | 1,77,386    |

The expenditure on public works was 6.1 per cent. of the total charges of the year. If the debts repaid and amounts invested in promissory notes be excluded from the latter, the percentage rises to 7.3 against 9.5 in the previous fasli. The expenditure fell below 50 per cent. of the budget allotment in ten estates. The cases in which the amounts surrendered are sufficiently large to call for special remarks are noticed below :—

| Estate.                      | Allotment. | Expenditure. | Percentage. |
|------------------------------|------------|--------------|-------------|
| N. Duraiswami Aiyar's estate | Rs. 4,225  | Rs. 706      | 16.7        |
| Marungapuri                  | 12,746     | 4,945        | 38.8        |
| Kavalpara                    | 62,539     | 16,766       | 26.8        |

The short expenditure in N. Duraiswami Aiyar's estate (since handed over) was due to the incompetency of the late manager who was finally compelled to resign his appointment. As regards Marungapuri, repairs to two irrigation works, for which a sum of Rs. 4,500 had been allotted, were not after all carried out in deference to the opinion of the Executive Engineer who thought the repairs unnecessary. The work done on the Nattam road, for which a sum of Rs. 1,500 had been proposed, was not paid for within the fasli pending scrutiny by the Local Fund Engineer. The short expenditure was also due to the non-commencement of certain irrigation works till late in the season owing to the presence of water in the tanks. In Kavalpara, work for Rs. 20,438 had been done within the fasli, but the amount was not disbursed before its close.

14. *Debts due to estates.*—Statement No. V-A appended to the report shows the debts due to the several estates under the management of the Court during the year. The total debts outstanding at the beginning of the year amounted to Rs. 6,79,853. Including those newly contracted (Rs. 16,577) or brought to account (Rs. 1,78,140), as also the interest that accrued during the year (Rs. 1,55,684), the total sum due was Rs. 10,30,254, of which Rs. 76,421 were collected and Rs. 20,580 written off, leaving a balance of Rs. 9,33,253 at the end of the year, distributed among 30 estates. The outstanding amounts were large in the following estates :—

| Estate.             | Amount.    |
|---------------------|------------|
| Appikonda           | Rs. 24,035 |

Almost the whole of the amount outstanding in *Appikonda* has not yet fallen due. Nearly half the amount outstanding in *Kurupam* is due by Peda Merangi, another estate under the Court, and steps have already been taken to repay the debt; it is regretted that the collection of the other debts due to the estate has hitherto been neglected by the late Dewan of Jeypur and the estate Manager. These officers having been since replaced, the Court hopes for better results in the next Administration report. Almost the whole of the amount outstanding in *Peda Merangi* is covered by a decree, the execution of which has been ordered to be stayed, pending decision of an appeal to the Privy Council. Enquiry will be made into the debts due to *Kásimkóta* in *Telaprole*, Rs. 32,025, which are covered by bonds, have not yet fallen due according to the terms contained therein; Rs. 13,290 are covered by execution proceedings; a decree has been obtained from the local High Court for a sum of Rs. 17,094 and will shortly be executed; and steps are being taken to collect the remainder. The greater portion (Rs. 37,826) of the amount appearing against *Munagala* is due by one Mallam Papanna of the Nizam's Dominions and the matter is now under litigation before the Nizam's Courts. The debts in the *Sithamalli* estate are well secured and

the Court has, in the interests of its ward, allowed the continuance of the present arrangements. Almost the whole of the amount in *Palayampatti* is due by the Rajah of Ramnad and his brother. In *Ettiápúram*, Rs. 35,615 are covered by mortgage bonds with possession; while the instalments fixed in the case of Rs. 35,530 have not yet fallen due; Rs. 19,942 are covered by decrees which are being executed, and debts amounting to Rs. 17,520 which have been secured by hypothecation bonds, have been allowed to be outstanding as they carry a high rate of interest which is being punctually paid: the remainder will be collected in due course. In *Thalavankottai*, Rs. 24,821 are due by the Mittahdar of Panayur, who is negotiating a sale of his mitta in order to repay the amount; a sum of Rs. 23,562 will be recovered in three half-yearly instalments according to the terms of the decree of the Tinnevely Sub-Court. As stated in the previous report, almost the whole of the amount shown against *Punnathur* is due by the female branch of the estate to the *stanoms* belonging to the male branch.

15. *Debts due by estates.*—Statement No. V-B shows the debts due by the several estates under management. The total amount due at the beginning of the fasli was Rs. 16,77,209. Adding thereto the debts contracted (Rs. 1,22,996), those newly brought to account (Rs. 66,557) and the interest that accrued during the year (Rupees 1,77,542), the total amounted to Rs. 20,44,304, of which Rs. 3,05,665 were repaid and Rs. 9,781 struck off, leaving a balance of Rs. 17,28,858, due by 18 estates. The debts outstanding at the close of the fasli were large in the undermentioned estates :—

In the matter of the repayment of the amounts due by the estates marked with an asterisk, the Court has nothing to add to what was stated in paragraph 15 of the previous year's report. The loan of Rs. 1,35,000 recently taken from the Maharajah of Jeypore on behalf of the *Sálúru* estate bears interest at 6 per cent. per annum and cannot, under the terms of the bond, be repaid before A.D. 1905. Since the close of the fasli, a portion of the estate has been sold in view to the liquidation of the Bobbili Rajah's debt of Rs. 4,70,000, which bears a high rate of interest. Similar action has been ordered to be taken in the case of the late *T. Chokkappa Mudaliar's* estate also. The debt due by the *Peda Merangi* estate will be discharged as funds accrue. A consolidated loan at a lower rate of interest has recently been obtained on behalf of the *Palayampatti* estate. The greater portion (Rs. 10,430) of the debt due by *Anavaradam Pillai's* estate is covered by the mortgage of lands with possession and the estate is not financially in a position to redeem the mortgage. In *Ankusagiri* (Berikai) nearly one-half has not yet fallen due, and the question of adjusting the remainder is receiving attention.

16. *Education of wards.*—Statement No. VI appended to the report shows the educational progress of the wards and of such of their relations as were under instruction during the year. Of the 60 wards shown in the list, 54 were males and 6 females.

The marginally-noted three wards were educated at *Newington* (Madras) under the Court's European tutor (Mr. H. R. N. Ellison).

Towards the close of the fasli, the *Dhárakóta* minor returned to the district and was instructed in revenue law and accounts and details of estate management by a tutor specially appointed for the purpose: he assumed charge of his estate in October

1896, and it is encouraging to note that, in the opinion of the Collector, the late ward possesses "excellent manners and a good deal of sturdy common sense." The other two minors were again examined by Mr. Stone, shortly after the close of the fasli, and the Court is glad to state that on this occasion the Examiner was able to make a more satisfactory report of their progress. A third examination was held at the close of 1896 with satisfactory results, but this matter will be dealt with in the report for the current fasli. The *Tangellamudi* minor, who is also the only son of the present Rajah of Venkatagiri, has, at the request and expense of the Rajah, since been taken into *Newington*. The *Kásimkóta*, *Shulagiri* and *Thalavankottai* wards, who were not making satisfactory progress in the district, have since joined the *Newington* establishment. There were thus six minors at *Newington* at the end of the year.

Mr. Ellison's term of office expired in August 1896, and the Court then secured the services of Mr. Cameron Morrison for the post of tutor and guardian to the minors at *Newington*. Mr. Morrison is a graduate of the St. Andrews University, where he gained first-class honours in the two Departments of Classics and Mental Philosophy. Mr. Morrison afterwards won the Bruce scholarship at Edinburgh, and subsequently graduated in Law at that University. He gained the Vans Dunlop scholarship in Political Economy and Mercantile Law. Mr. Morrison had afterwards taken up the post of Lecturer at the Glasgow University and had also had considerable experience in the work of tuition in other ways, having successfully coached three candidates for the Indian Civil Service. Mr. Morrison was strongly recommended to the Court by the Hon'ble and Rev. Dr. Miller, who was at that time in Scotland, and the Court gladly availed itself of the opportunity, afforded by Mr. Ellison's departure, to replace him at *Newington* by a tutor carrying such exceptionally high testimonials. The number of boys entrusted to his charge is now larger than in any previous year. The progress which is already apparent in their education is a detail of the current fasli year and will be dealt with in the next annual report. The *Bodogodo*, *Surangi* and *Pedda Kimedi* minors are at *Chatrapur* under their special tutor, Mr. B. C. Chatterji of the Madras Educational Department. The *Bodogodo* boy, who is intelligent and attentive, is said to have made good progress for his age, while the *Surangi* minor did fairly well in spite of his illness. The *Pedda Kimedi* ward was slowly improving under the new tutor. The *Surangi* ward was recently at Madras under medical treatment for about three months and arrangements were made to instruct him there in revenue matters. The *eldest ward of Appikonda* continued to learn his mercantile business in the district. The *Kurupam* minor made very good progress, as usual, under Mr. Moss. The *Saluru* minor joined the Lutheran Mission School at his native place: the previous consent of his mother was obtained for this arrangement, which the Collector ascertained to be the best that could be made, considering the impoverished condition of the estate. The *elder Elagiri* ward, who was under the Court's European tutor at Madras, returned to the district in July 1895, and was instructed in revenue law and accounts as also in the details of estate management. The *elder ward of N. Duraiswami Aiyar's* estate, appeared for the M.A. Degree (in English) and the F.I. examination of the local University, but failed in both. He was instructed in revenue law and the details of estate management. The minor also attended the Survey office at Madras and with the permission of the Superintendent, Revenue Survey, received instruction in survey matters.

The wards of *Telaprole*, *Thumba*, *Palayampatti* and *Ankusagiri* were studying under private tutors. Of the rest, 9 were reading in Upper Secondary and 26 in Lower Secondary or Primary classes. The progress and behaviour of all these boys are said to have been satisfactory except in the case of the *Peda Merangi*, *Lakkavaram*, *Mailavaram*, *Edamanal* and *B. Chockalingam Pillai's* estate boys. The *Lakkavaram* ward, who thrice failed in the Matriculation examination, and who is to take charge of his estate in April 1897, has been withdrawn from school and is now being instructed in revenue matters. The progress of the *Mailavaram* boys was not satisfactory, partly owing to illness and partly to irregular attendance, due apparently to disputes in the family. The estate will soon pass out of the Court's charge. In regard to the other minors named above, the Court notes that the matter has attracted the attention of the Collectors concerned and that they have taken the necessary steps to effect an improvement.

As stated above, the marginally-noted minors received instruction in revenue law and accounts and were taught the details of the management of their estates.

Of the female wards, *Timmajammal* continued to live with her husband at *Tarikeri*, and her education has practically come to an end. She has lately given birth to a daughter. The daughter of the late *Ayyanna* passed her annual examination creditably and now continues her studies in the Board Primary School, *Hospet*. The other female wards (the sisters of the *Telaprole* and *Thumba* minors and the daughter of the late *Minakshi Ayal*) made good progress under their respective tutors.

17. *Suits*.—The "printed records" relating to the *Chidikada* Privy Council appeal were recently submitted to Government in view to steps being taken to oppose it on behalf of the Court's ward. Similar papers in regard to the *Saptur* Privy Council appeal are under preparation. The records of the *Ungarada* Privy Council appeal were forwarded to the late *Siripuram* ward for the necessary action. As stated in the previous report, the *Boyyanagudem* estate has been decreed in favour of the *Lakkavaram* ward and possession thereof has been obtained. The appeal filed in the High Court in regard to the *Tangellamudi* estate is still pending, but the suit properties have been ordered to be handed over to the plaintiff (*Sri Raja Papamma Row*) on her furnishing security for mesne profits. As stated in paragraph 1 *supra* the *Pithápuram* appeal has, since the close of the fasli, been decided in favour of the Court's ward who has been declared to be the owner of the estates, left by the late Raja, on the strength of his wills. The *Belgam zemindari's* appeal to the Privy Council is still pending; the High Court has since confirmed the District Court's decree, which declared the late zemindar's will to be not genuine, and the adoption made under it to be invalid in consequence; and the Government has recently re-committed the *Rani* to the care of the Court of Wards. The suit for the other half of *Belgam* (Original Suit No. 38 of 1894) and the two *Munagala* adoption suits referred to in the previous report are still pending. An appeal has been filed in the High Court by *S. Gopal Raju*, whose claim for the *Surangi* estate was dismissed by the District Court of *Ganjám*.

18. *Religious and Charitable Institutions attached to Estates*.—A statement (No. VII) showing the demand, collection and balance and the financial condition of the several religious and charitable institutions attached to estates under management is appended to the report.

19. *General Remarks*.—To facilitate the introduction of the survey areas, it has been found necessary to make a fieldwar (cadastral) survey of the *Telaprole* estate and the question in regard to this estate and to *Saptur* in the *Madura* district is now before the Court of Wards. A set of rules for the working of the *Saptur* forests is now under the consideration of Government. The forests of the *Shulagiri* estate are reported to be in good condition. The necessary orders appear to have been issued to the Manager for conserving the forests of the *Royakota* estate. In *Marungápur*, *Ettiyapuram*, *Shulagiri*, *Elagiri*, *Royakota* and *Ankusagiri* (*Berikai*) the village accounts are reported to have been maintained according to the manual with slight modifications to suit local requirements. No very marked improvement can, however, be looked for in the matter of these accounts until the introduction into the various estates of the Proprietary Estates Village Service Act (II of 1894). The village servants will then be brought under proper control.

ORDER—No. 240, Revenue, dated 8th April 1897.

## Miscellaneous.

With the Proceedings read above, the Court of Wards submits its report on the administration of the estates under its charge during fasli 1305 (1895-96). The report was received in the Government office on the 10th of February, or eight days earlier than the previous year's report; it was, however, ten days overdue.

2. *Number of Estates under management.*—The year opened with 54 estates under the management of the Court. Eight \* of these passed out of the Court's hands during the year while one estate, viz., Kasimkōta in the Vizagapatam district, was newly taken up. The number of estates under management at the end of the year was thus 47. Excluding the estate of the

old, imbecile Zemindar of Parlākimedi, whose moveable property alone was in charge of the Court, there were 46 estates belonging to as many wards, of whom 43 (two being females) were incapacitated by reason of minority and the remaining three by sex alone.

- \* 1. Siripuram.
- 2. Meduru.
- 3. Ventrappagada.
- 4. Pulicherla.
- 5. Kadakavinayakanallur.
- 6. N. Rangasami Aiyar's estate.
- 7. Singam Aiyangar's estate.
- 8. Erumaipatti.

3. *Condition of the surrendered estates.*—The statement at page 3 of the report shows the condition of the surrendered estates at the time of their restoration as compared with their condition at the time they were taken under the Court's control. There was a large fall in the current demand of three of the estates, viz., Siripuram, Pulicherla and Kadakavinayakanallur. The decrease in the last-mentioned estate (from Rs. 82,203 to Rs. 53,630) was mainly due to fluctuation in the value of grain while the decrease in Pulicherla (from Rs. 21,570 to Rs. 13,115) was due to the sale of a portion of the estate in satisfaction of debts due by it. In Siripuram, on the other hand, both the causes above mentioned contributed to the diminution in the current demand from Rs. 81,926 to Rs. 68,862. There was also a fall in the current demand of Meduru from Rs. 1,17,438 to Rs. 1,01,280, but this was only nominal, as the water-tax due to Government which was included in the former is excluded from the latter amount. The condition of the Meduru estate which was under the control of the Court for a period of close upon eight years appears to have greatly improved under the Court's management. During the period, the balance to its credit rose from Rs. 1,67,052 to Rs. 6,05,100, while a sum of Rs. 46,841 was expended on irrigation works and other improvements and a further sum of Rs. 5,590 was paid in liquidation of debts. The financial condition of the Trichinopoly and Salem estates which were restored to their proprietors during the year was highly satisfactory.

4. *Holdings and Cultivation.*—Including Palayampatti which first came under the management of the Court in the course of fasli 1304, the extent of holdings in the estates which were under management in both the faslis was acres 584,800 in fasli 1305 against acres 585,093 in the previous fasli. There was thus a decrease of acres 293 which was the net result of an increase of 5,540 acres in 18 estates and a decrease of 5,833 acres in 11 others. On the other hand, there was an increase in the extent actually cultivated during the year and the percentage of cultivation to holdings also rose from 93.4 in fasli 1304 to 94.1 in the year under review. The Government notes with satisfaction that the suggestions for extension of cultivation contained in paragraph 4 of G.O., No. 180, dated 28th April 1896, were given effect to in Palayavanam and that there was a marked improvement in Mambarai, the percentage of cultivation to holdings in that estate having risen from 63.7 to 70.0.

5. *Demand of Estates.*—The gross demand of all the estates under management during the year aggregated Rs. 17,83,326, of which Rs. 15,007 were remitted, leaving a net demand of Rs. 17,68,319. In the estates \* which were under management in both the faslis 1304 and 1305, the net demand rose from Rupees 16,41,297 to Rs. 16,82,402.

\* Including Palayampatti.

6. *Demand, Collection and Balance—Arrears.*—The Government observes with pleasure that the improvement in the adjustment of arrear balances noticed in paragraph 6 of the previous year's review continued † during the year under report also. Out of an arrear demand of Rs. 9,36,738 at the beginning of the fasli, Rs. 2,63,022 were collected and Rs. 1,81,556 were written off during the year, leaving a balance of Rs. 4,92,160 at the end of the fasli. Deducting subsequent collections and remissions amounting to Rs. 13,239 and also a sum of Rs. 23,069 since found to be irrecoverable, the net recoverable balance at the date of the report was Rs. 4,55,852. Nearly three-fourths of this amount was outstanding in the three undermentioned estates alone:—

| † Percentage of arrear balance to demand in— |      |      |      |      |      |
|----------------------------------------------|------|------|------|------|------|
| Fasli.                                       | 1301 | 1302 | 1303 | 1304 | 1305 |
| 84.4                                         | 78.1 | 70.8 | 68.7 | 52.5 |      |

|              | RS.      | Per cent. of the balance to the demand. |
|--------------|----------|-----------------------------------------|
| Kurupam      | 57,997   | 69.8                                    |
| Telaprole    | 1,66,993 | 78.2                                    |
| Ettiayapuram | 1,05,713 | 35.5                                    |

The slack collections in Kurupám were due to the remissness of the manager and his subordinates who have since been replaced by better men. The bulk of the balance outstanding in Telaprole was awaiting recovery through processes of Civil Courts. In view to the speedy realization of the arrears in this estate, instructions have been issued for the freer resort to the summary processes prescribed by the Rent Recovery Act. In regard to the heavy balance in Ettiyapuram, the Collector reports that all possible steps are being taken to collect the recoverable portion of it. The Government hopes that, by the end of the current fasli year, there will be a perceptible reduction in the outstanding balance.

The current collections were equally satisfactory.\* Out of a total demand amounting to Rs. 17,63,442, Rs. 14,83,319 were collected and Rs. 268 written off during the year, leaving a balance of Rs. 2,79,855 outstanding at the end of the fasli. Deducting from the amount last mentioned subsequent collections and remissions as also the amounts recommended to be written off aggregating Rs. 1,11,538, the net recoverable balance at the date of the report was Rs. 1,68,317 or 9.5 per cent. of the total demand against 12 per cent. in the previous year.

7. *Financial condition of the Estates.*—The total cash receipts and charges of the year amounted to Rs. 29,60,959 and Rs. 29,13,790, respectively. Omitting unusual items such as "debts recovered," "amounts borrowed," "sale-proceeds of property," "debts repaid" and "amount invested in Government securities," the net receipts and charges were Rs. 21,28,837 and Rs. 24,09,577, respectively.

8. *Establishment charges and Government commission.*—The proportion of establishment charges and Government commission to normal receipts was 13.3 per cent. during the year under review against 10.0 per cent. and 11.5 per cent. in faslis 1303 and 1304, respectively. The increase under this head is a matter for regret and the Government trusts that the Court will use its best endeavours to minimise the expenditure on account of establishment. In 13 estates, the proportion exceeded 15 per cent. owing to the special causes explained in paragraph 12 of the report.

9. *Expenditure on Public Works.*—The total expenditure on public works aggregated Rs. 1,77,386 or 6.1 per cent. of the total charges of the year against 6.9 per cent. in the preceding fasli. If unusual items of expenditure such as "debts repaid" and "amount invested in Government promissory notes" be excluded, the outlay on public works was 7.3 per cent. of the net charges against 9.5 per cent. in fasli 1304. The amount expended on irrigation works also fell from Rs. 1,41,741 in fasli 1304 to Rs. 83,894 in the year under review, but this was mainly due to the fact that the Pithápuram (non-Agency portion) and Meduru estates in which over Rs. 71,000

were invested in irrigation works alone in the previous fasli left the Court's hands during the year under report. The Government notes, however, that there was a satisfactory improvement in the proportion of expenditure to allotment.

10. *Utilization of surplus balances and advances to tenants.*—As observed by Government in paragraph 11 of the review of the Court's report for fasli 1304, the law relating to the Court of Wards in this Presidency is inelastic in that it does not enable the Court to utilize the surplus balances standing to the credit of the estates to the best possible advantage of the wards. Accordingly in more than half the number of the estates mentioned in paragraph 11 of the report, the balances were higher

than they were in the previous year. The Government notes that 15 villages costing 8½ lakhs of rupees were added by purchase to the property of the Ettiyapuram ward.

Advances were granted to tenants in six estates in the Tanjore and Trichinopoly districts, but particulars as to amounts or the conditions under which these advances were granted have not been furnished. The matter should be noticed in some detail in future reports.

11. The educational progress of the wards was, on the whole, satisfactory. Five of them received instruction in Revenue Law and Accounts and in the details of estate management. The elder ward of N. Duraisami Aiyar's estate in the Trichinopoly district received instruction in survey matters as well.
