Dated 8 *May* 1897.

No. 3248 Miscellaneous

READ ..... the following letter from the Collector of Kurnool, Report No. 287/Eng of 1897, dated 21st April 1897:—

Referring to Board's Proceedings, No: 531 Mis; dated 25-1-97, I have the honour to state that, though the gross quantity of work turned out by all the gangs was not 4 percent less than the quantity to be done, the D.P.W Sub-divisional officer reports that some of them, either owing to wilful neglect or contumacy, turned out much less work than they ought to have done. Looking at the statements furnished by the Executive Engineer showing the quantity

quantity of work done by the several gangs on the days in question, the very severe fines alluded to in Board's Proceedings under reference appear to have been inflicted in strict accordance with the scale laid down in rule 28 of Appendix VI. to the Famine Code. Thus the fines mentioned in column 11 of the statement under review represented only those inflicted on a few selected gangs, who, it is reported, deserved them under the rules.

2. I regret the delay that has occurred in the submission of this reply: it is owing to the non-receipt of complete information on the subject from the D. P. W. even up to date in spite of several references.

Resolution.

Submitted to Government with reference to G. O. dated 3.2.97 No. 616.
