# PROCEEDINGS OF THE BOARD OF REVENUE

(SEPARATE REVENUE).

READ—Endorsement of the Deputy Commissioner, Central Division, No. 87, dated 6th January 1897, submitting for orders copy of letter from the Assistant Commissioner, Chingleput, requesting orders for the entertainment of a sweeper to clean the latrines of the Madras Salt depôt.

RESOLUTION—No. 103, dated 15th March 1897.

The Board begs leave to solicit the sanction of Government for the entertainment, in the Madras Depôt Circle, of a scavenger on Rs. 4 per mensem to clean the latrine in the depôt premises. The work was hitherto done by the scavenger sanctioned for the Madras Town Circle in G.O., Mis. No. 640, Revenue, dated 13th February 1893, as the offices of both the circles were located in the same premises. Now that the Town Circle Inspector's office has been removed to Marshall's Road, Egmore, with reference to paragraph 2 of G.O., Mis. No. 4596, Revenue, dated 16th November 1896, and storage and sales have commenced in the Madras Depôt, the Board considers the appointment of a separate scavenger for the Depôt absolutely necessary and accordingly submits the enclosed proposition statement. It is understood that the Municipality would charge Rs. 6–8–0 per mensem for the work if performed by its staff. The cost for the current year can be met from the lump provision made for establishments in the budget.

2. The Deputy Commissioner will be authorized to entertain the scavenger in anticipation of the sanction referred to in paragraph 1 *supra*, and the Board requests that its action may be approved.
