Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 5th May 1897.

No. 3157 mis.

READ. The following letter from the Collector of Kistna, dated 14th April 1897, Reference on C. no 6164 of '96:—

With reference to Board's Proceedings No. 2619 mis. dated 8th April 1897 authorizing me to refund the penal water-rate charged at the jamabandi of Fasli 1305 on lands which were registered as wet in Fasli 1304, for which water was relinquished for Fasli 1305 and subsequently reapplied for before 20th July 1895, I have the honor to suggest that the orders of Government may be obtained whether this concession is to be extended to village officers who

who took part in the water-rate agitation; for one of the clear instructions that were issued to me at the time was that Government servants, who took part in the agitation, should be severely dealt with. As a sample of the conduct of these village officers, I may refer the Board to my letter Disposal No. 1502 / Ver of '97 dated 13th instant and addressed to the Board (Land Revenue) dealing with the case of the village Munsiff of Duggirala. The number of village officers that was penalised could probably be counted on the fingers of one hand.

Resolution

Submitted for the orders of Government.

2. The instruction referred to by the Collector in regard to the treatment to be accorded to Government servants who took part in the agitation is

presumably what is contained in G. O. No. 2683 M.S., Revenue, dated 6th July 1895. That order, when read in the light of the recent order of Government No. 1482 M.S., Revenue, dated 18th March 1897, would seem to exempt from the penal rate village officers also who were agitators, provided they had put in petitions before the 20th July 1895 asking for leave to withdraw relinquishment applications. If this view is correct, the penal water-rate levied from these village officers should also be refunded.
