Resolution

Ro 1692 25-2-97

Submitted to Government in continuation of Board's Proceedings,No.946 Misc.,dated 12th March 1897.

2. 39 cents of temple inam land classed as dry, having been taken up for the Bezwada-Madras State Railway, the Collector proposed to invest the amount awarded for the same,viz.,Rs.54-6-3,in the acquisition of 1.03 acres of patta land also classed as dry and assessed at Rs.0-9-0 and to assign the same in exchange as inam subject to an additional quit-rent of Rs.0-5-8.The Board considered that the acquisition of fresh land was unnecessary because the amount awarded as compensation might be commuted into a beriz deduction or other fixed annual payment in accordance with the rules laid down in Board's Proceedings No.129,dated 1st April 1896.The Collector replied that the trustees of the temple had already purchased the fresh land and had got a deed of conveyance executed and registered and were unwilling to receive compensation in any other form.He promised,however,to submit a further report as to the willingness of the Trustees to pay

the full assessment of the land.The Collector now reports that the trustees are willing to pay the full assessment of the fresh land as jodi and recommends that it may be formally acquired under Act I of 1894 and assigned in exchange as inam subject to a jodi of annas 9.

3. The Board considers that,in the circumstances stated above, it is unnecessary to acquire the land from its present owners in order to assign it to the same parties as inam & that it will be sufficient to substitute for the award,under section 31(3) of the Act, an arrangement under which the land shall be held as inam on payment of a jodi of annas 9.The sanction of Government is requested to this arrangement.
