C.V.A.

SIR,

In the Rules for the preparation and submission of Annual Reports by officers of the Civil Veterinary Department, which were forwarded with this Department Circular No.42/17 dated the 28th October 1893, the 1st July was the date prescribed for the submission by Superintendents of their reports to local Governments and the Inspector General.

2. It now appears that the 1st June might with advantage be substituted for the 1st July for the submission of the reports in question, so as to enable the Inspector General to furnish his Annual Administration Report to the Government of India by the 1st September instead of the 1st October as prescribed by the rules; since it has become necessary that the Inspector General should commence his annual tour of inspection early in September. I am therefore to request that the rules may be altered accordingly and that the officers concerned may be informed of the change.

I have the honour to be,

Sir,

Your most obedient servant,

F G Sly
